About SGL

Scanpoint Geomatics Limited is a leader in the Indian Geomatics Industry. We pioneer the nation's geospatial domain through IGiS - an indigenous technology which brings GIS, Image Processing, Photogrammetry and CAD together on the same platform. Based out of Ahmedabad, as Team SGL, we strive to provide innovative, futuristic and cost-effective products.

IGiS caters to a multitude of solutions across industries like Agriculture, Defense, Forestry, Disaster Management, Land Information, Mining, Power, Smart City, Urban Planning, Utilities and Location Based Services.

With the vast number of possibilities and opportunities presented by the field of Geomatics, our mission is to shape the future of a "GIS-enabled India".

6. Increase in Authorised Share Capital of the Company

To consider and, if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution:

“RESOLVED THAT pursuant to provisions of Section 13, read with Section 61 and 64 of the Companies Act, 2013, read with Rules thereunder (including any Statutory modifications or re-enactment thereof, for the time in being in force) and any other applicable provisions of the Act and applicable provisions of the Article of Association of the Company, the consent of the Members of the Company be and is hereby accorded to increase in Authorised Share Capital of the Company from existing ₹ 13,00,00,000 (Rupees Thirteen Crores Only) divided into 6,50,00,000 (Six Crores Fifty Lakhs Only) Equity Shares of ₹ 2 each (Rupees Two Only) to ₹ 15,00,00,000 (Rupees Fifteen Crores Only) divided into 7,50,00,000 (Seven Crores Fifty Lakhs Only) Equity Shares of ₹ 2 each (Rupees Two Only) ranking pari passu in all respect with the existing Equity Shares of the Company.”

“RESOLVED FURTHER THAT the Memorandum of Association of the Company be altered in the following manner i.e. existing Clause V of the Memorandum of Association be deleted and same be substituted with the following new clause as clause V;”

V. The Share Capital of the Company is ₹ 15,00,00,000 (Rupees Fifteen Crores Only) divided into 7,50,00,000 (Seven Crores Fifty Lacs Only) Equity Shares of ₹ 2 each (Rupees Two Only).

“RESOLVED FURTHER THAT for the purpose of giving effect to this resolution, any of the Directors and Company Secretary of the Company (hereinafter referred to as “Board” which term shall include a Committee thereof authorized for the purpose) be and are hereby authorized jointly/severally to take all such steps and actions and give such directions as may be in its absolute discretion deemed necessary and to settle any question that may arise in this regard, without being required to seek any further consent or approval of the shareholders or otherwise and that the shareholders shall be deemed to have given their approval thereto expressly by the authority of this resolution.”

7. Issue of Equity Shares against the outstanding loans or borrowings availed by the Company

To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

“RESOLVED THAT pursuant to provisions of Section 62(3) and other applicable provisions, if any of the Companies Act, 2013 and rules made there under (including any amendments thereto or re-enactment thereof for the time being in force), the provisions in the Memorandum and Articles of Association of the Company and other applicable provisions of the Securities and Exchange Board of India Act, 1992 and such other applicable guidelines/rules/regulations/ circulars issued by the Securities and Exchange Board of India from time to time, the provisions of the Foreign Exchange Management Act, 1999 (“FEMA”), the applicable rules, regulations, notifications and circulars, if any, issued by the Reserve Bank of India (“RBI”), Government of India or any other competent authorities and clarifications, if any, issued thereon from time to time by appropriate authorities, the applicable regulations of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the “Listing Regulations”), and other applicable laws, if any, and subject to such approval(s), consent(s), permission(s) and/or sanction(s), if any, of the Government of India, RBI, SEBI and any other appropriate authority(ies), Bank(s), Institution(s) or Body(ies), as may be necessary and subject to such conditions as may be prescribed by any of them in granting any such approval, consent, permission or sanction, as are accepted by the Board of Directors of the Company, (hereinafter referred to as the “Board”, which term shall be deemed to include any duly constituted committee thereof which the Board may have constituted or hereinafter constitute to exercise its powers including the powers conferred by this Resolution), the consent of members of the Company be and is hereby accorded to the Board to avail and accept, loans, borrowings, advances or financial assistances (“Loans”) from any banks, financial institutions, promoters and promoter group of the Company or any other body Corporates, individuals or persons (hereinafter referred to as “Lenders”) containing, *inter alia*, an option to convert such Loans into the Equity Shares of

the Company or get the allotment of the Equity Shares of the Company against any such Loans subject to following terms and conditions:

- a. The Equity Shares shall be issued and allotted by the Company to the Lender(s) who exercises the option to convert its Loans (wholly or in part) into Equity Shares of the Company in accordance with terms and conditions specified under the loans agreements, facility agreements or other similar arrangements or agreements executed or to be executed between the Company and the Lenders or who exercises the option to adjust and treat the outstanding amount of Loans or any part thereof as an application money while making application for subscribing to the Equity Shares of the Company offered through rights issue, preferential issue or other permissible mode;
- b. The Equity Shares shall be issued at a price determined by the Board in accordance with the applicable provisions of the Companies Act, 2013, regulations issued by the SEBI and other applicable laws;
- c. The Equity Shares allotted by the Company shall be subject to provisions of the Memorandum and Articles of Association of the Company;
- d. The Equity Shares allotted by the Company shall rank pari-passu with the existing Equity Shares of the Company in all respects and shall be listed on the Stock Exchange(s), where the existing Equity Shares of the Company are listed.

RESOLVED FURTHER THAT subject to provisions of this resolution and the applicable laws, the Board of Directors of the Company be and is hereby authorized to negotiate, finalize and accept the terms and conditions of availing the Loans from the Lenders, to enter into loans agreements, facility agreements or other similar arrangements or agreements with the Lenders and to do all such acts, deeds, things and matters as it may, in its absolute discretion, deem necessary, expedient or desirable for availing the Loans from the Lenders and for giving effect to this resolution.

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorized and empowered to do all such acts, deeds, things and matters as it may, in its absolute discretion, deem necessary, expedient or desirable, for issuing, allotting and listing of the Equity Shares in accordance with this resolution and the applicable laws, to delegate all or any of its power conferred by this resolution to any of its committee or any director(s) or officer(s) of the Company, to settle any question, difficulty or doubt that may arise in this regard and to do all such other acts, deeds, matters and things as the Board in its absolute discretion may deem fit for giving effect to this resolution, without being required to seek any further consent or approval of the members or otherwise to the end and intent that they shall be deemed to have given their approval thereto expressly by the authority of this resolution.”

Hence, Members can attend and participate in the AGM through VC/ OAVM only. The detailed procedure for participating in the meeting through VC/OAVM is annexed herewith.
3. The Company has appointed National Securities Depository Limited ("NSDL") to provide VC/OVAM facility for the AGM of the Company.
4. The helpline number regarding any query/assistance for participation in the AGM through VC/OAVM is 1800-222-990 (toll free).
5. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, where physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
6. The facility for joining AGM through VC/OAVM will be available for up to 1,000 Members and members may join on first come first serve basis. However, the above restriction shall not be applicable to members holding more than 2% or more shareholding, Promoters, Institutional Investors, Directors, Key Managerial Personnel(s), the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, Scrutinizers etc. Members can login and join 30 (Thirty) minutes prior to the schedule time of meeting and window for joining shall be kept open till the expiry of 15 (fifteen) minutes after the schedule time.
7. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
8. The explanatory statement pursuant to Section 102(1) of the Act, which sets out details relating to Special Businesses at the meeting, is annexed hereto.
9. Institutional/Corporate members are encouraged to attend and vote at the meeting through VC/OAVM. We also request them to send, a duly certified copy of the Board Resolution authorizing their representative to attend the AGM through VC/OAVM and vote through remote e-voting on its behalf at info@sgligis.com pursuant to Section 113 of the Companies Act, 2013.
10. Only bonafide members of the Company, whose name appear first on the Register of Members, will be permitted to attend the meeting through VC/OAVM. The Company reserves its right to take all necessary steps as may be deemed necessary to restrict non-members from attending the meeting.
11. The Register of Directors and Key Managerial Personnel's and their Shareholding maintained under Section 170 of the Act and the Register of Contracts or Arrangements in which the Directors are interested maintained under Section 189 of the Act will be available for inspection by the Members in electronic mode during the AGM. Members who wish to seek inspect, may send their request through an email at info@sgligis.com up to the date of AGM.
12. Members holding shares in physical form are advised to inform the particulars of their bank account, change of postal address and email IDs to our RTA i.e. Link Intime India Private Limited at 5th Floor, 506 TO 508, Amarnath Business Centre – 1 (ABC-1), Beside Gala Business Centre, Nr. St. Xavier's College Corner, Off C G Road, Ellisbridge, Ahmedabad - 380006. or the Secretarial Department of the Company.

13. Members who have not registered their email ID with the depository participants, are requested to register their email ID with their depository participants in respect of shares held in electronic form and in respect of shares held in physical form, are requested to submit their request with their valid email ID to our RTA at ahmedabad@linkintime.co.in or info@sgligis.com for receiving all communications including annual report, notices, letters etc., in electronic mode from the Company.
14. In compliance with the provisions of MCA vide its Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 5, 2020 and SEBI circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20, are being sent only through electronic mode to those Members whose email IDs are available with the Company/Depositories/RTA.
15. Members may note that the Notice of the AGM and Annual Report 2019-20 will also be available on the Company's website www.sgligis.com and website of the Stock Exchange i.e. BSE Limited at www.bseindia.com.
16. The Company has fixed Monday, September 21, 2020 as Cut-off date for determining the eligibility of Members entitled to vote at the AGM. The remote e-voting shall remain open from Thursday, September 24, 2020 to Sunday, September 27, 2020 (both days inclusive).
17. Members who are present in meeting through video conferencing facility and have not cast their vote on resolutions through remote e-voting, shall be allowed to vote through e-voting system during the meeting.
18. The Company has appointed Mr. Harish P Jain, Practicing Company Secretary, of M/s. Harish P. Jain & Associates, Company Secretary, Ahmedabad (FCS 4203; CP: 4100) as Scrutinizer to scrutinize the e-voting process in fair and transparent manner.
19. Information required under Regulation 36 of SEBI Listing Regulations, Directors seeking Appointment/Re-appointment at the AGM is furnished as **ANNEXURE-I** to this Notice. The Directors have furnished consent/declarations for their appointment/re-appointment as required under the Act and rules made thereunder.
20. In consonance with the company's sustainability initiatives and Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the company is sharing all documents with shareholders in the electronic mode, wherever the same has been agreed to by the shareholders. Shareholders are requested to support this green initiative by registering/ updating their e-mail addresses for receiving electronic communications.
21. Relevant documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection by the members at the Corporate Office of the Company during the normal business hours on all working days except Saturday and Sunday up to the date of the Annual General Meeting. Members who wish to seek the inspection, may send their request under the Act and rules made thereunder.
22. SEBI has recently amended relevant provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 to disallow listed companies from accepting request for transfer of securities which are held in physical form, with effect from April 1, 2019. The shareholders who continue to hold shares in physical form even after this date, will not be able to lodge the shares with company / its RTA for further transfer. They need to convert the equity shares to demat form compulsorily if they wish to effect any transfer. Only the requests for transmission and transposition of securities in physical form, will be accepted by the RTA.
23. In case of Joint holders attending the AGM, the Shareholder whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
24. In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members facility to exercise their right to vote at the 28th Annual General Meeting by electronic means and the business may

be transacted through e-Voting Services provided by National Securities Depository Limited. (NSDL). The detailed process, instructions and manner for e-voting facility is enclosed herewith.

25. Since the AGM will be held through VC/OAVM, the Route Map is not required to be annexed in this to the Notice.

Date: August 25, 2020

Place: Ahmedabad

**By Order of the Board
For, Scanpoint Geomatics Limited**

**Shaili Mehta
Company Secretary**

Registered Office:

9, Mahakant Complex,
Opp. V. S. Hospital, Ashram Road,
Ahmedabad Gujarat-380006

The process and manner of participating in Annual General Meeting through Video Conferencing mode is mentioned below:

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 8, 2020, April 13, 2020 and May 5, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as venue voting system on the date of the AGM will be provided by NSDL.
2. Pursuant to the Circular No. 14/2020 dated April 8, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.
3. Process for those shareholders whose email ids are not registered:
 - a) For Physical shareholders- please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to Company/RTA email id.
 - b) For Demat shareholders -, please provide Demat account details (CDSL-16 digit beneficiary ID or NSDL-16 digit DPID +CLIENTID), Name, client master or copy of Consolidated Account statement, PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) to Company/RTA email id.

THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE VOTING ARE AS UNDER:

Step 1 : Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2 : Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below:

How to Log-in to NSDL e-voting website

1. Visit the e-voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a personal computer or on a mobile.
2. Once the home page of e-voting system is launched, click on the icon “Login” which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if EVEN is 101456 and folio number is 001*** then user ID is 101456001***

5. Your password details are given below:
 - a) If you are already registered for e-voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL in your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - ii) If your email ID is not registered, please follow steps mentioned below in this Notice.
6. If you are unable to retrieve or have not received the “Initial password” or have forgotten your password:
 - a. Click on “Forgot User Details/Password?” (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b. “Physical User Reset Password?” (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.

- c. If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d. Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
 8. Now, you will have to click on “Login” button.
 9. After you click on the “Login” button, Home page of e-Voting will open.

Details on Step 2 is given below:

How to cast your vote electronically on NSDL e-voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-voting. Click on e-voting. Then, click on Active Voting Cycles.
2. After clicking on Active Voting Cycles, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle is in active status.
3. Select “EVEN” of company for which you wish to cast your vote, which for this AGM is **113882**.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
6. Upon confirmation, the message “Vote cast successfully” will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

- i. Institutional / Corporate shareholders (i.e. other than individuals, HUF, NRI, etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution / Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, through its registered Email Id to the Scrutinizer at cs.harishjain@gmail.com with a copy marked to evoting@nsdl.co.in.
- ii. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” option available on www.evoting.nsdl.com to reset the password.

ANNEXURE TO NOTICE

Explanatory Statement

(Pursuant to Section 102 of the Companies Act, 2013)

Item No. 4

Reappointment of Mr. Dinesh Shah, (DIN: 02377709) as an Independent Director of the company for a second term of five year Mr. Dinesh Shah (DIN: 02377709) was appointed as an Independent Director of the company in the financial year 2014-15 for the period starting from 30th September, 2015 to 29th September, 2020. As per the provisions of Section 149 of the Companies Act, 2013 and the rules made thereunder, an Independent Director can be reappointed for a second term of 5 (five) years by obtaining approval of the shareholders by a way of special resolution and on disclosure of such reappointment in the Board's Report. Schedule IV of the Companies Act, 2013 provides for performance evaluation by the Board before extending the term of Independent Director. Mr. Dinesh Shah has given declaration to the Board that he meets the criteria of independence as provided under Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of Listing Regulations and intimation in Form DIR-8 in terms of Companies (Appointment & Qualification of Director) Rules 2014, to the effect that he is not disqualified under Sub-section(2) of Section 164 of the Companies Act 2013. In the opinion of the Board, Mr. Dinesh Shah fulfills the conditions provided in the Act and the Rules made thereunder for reappointment as an Independent Director. Brief background of Mr. Dinesh Shah is exhibited in this document separately. The Board of Directors and Nomination & Remuneration Committee are of the opinion that considering the vast experience, knowledge and the possession of relevant expertise by Mr. Dinesh Shah (DIN: 02377709) his continued association would be of immense benefit to the Board and accordingly board recommend the Resolution for your approval. Information Pertaining to Director seeking reappointment as mentioned under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and applicable Secretarial Standards as **ANNEXURE-I**.

None of Director, key managerial personnel (KMP) and their relatives except Mr. Dinesh Shah, is concerned or interested in the said resolution except to the extent of their directorship and shareholding in the Company.

Item No. 5

As per the provisions of Section 188 of the Companies Act, 2013 read with Companies (Meeting of Board and its Powers) Rules, 2014, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (hereinafter "Listing Regulations") except with the approval of the Shareholders by way of resolution. The Companies Act, 2013 aims to ensure transparency in the transactions and dealings between the related parties of the Company. The provisions of section 188 of the Companies Act, 2013 that govern the Related Party Transactions and Listing Regulations, requires that for entering into any contract or arrangement with the related party, the Company must obtain the prior approval of the Audit Committee and the Board of Directors and, if required, prior approval of the shareholders by way of a Ordinary Resolution must be obtained for material transactions. There is no exemption even if such transaction is in the ordinary course of business of the entity and on arm's length basis. A transaction with a related party shall be considered material if the transaction / transactions in a contract to be entered into individually or taken together with previous transaction during the financial year, exceed ten percent of the annual consolidated turnover of the Company as per the last audited financial statements of the Company. The material terms of the respective Contract or arrangements entered into or to be entered into from time to time are in the ordinary course of the business and on an arm's length basis.

In the light of the provisions of the Companies Act, 2013, the Board of Directors of your Company has approved the proposed transactions along with annual limit that your Company may enter into with the related parties (as defined under section 2(76) of the Companies Act, 2013. The material terms of the respective Contract or arrangements entered into or to be entered into from time to time in the ordinary course of the business and on an arm's length basis and all factors relevant to the respective transaction have been considered by the Board.

Except Mr. Ramesh Sojitra, Mr. Kantilal Ladani, Mr. Chirag Soni, Mr. Manishkumar Dangi, Mr. Mitesh Sanghvi and his relative none of Director, key managerial personnel (KMP) and their relatives, is concerned or interested in the said resolution except to the extent of their directorship and shareholding in the Company.

Item No. 6

The present Authorized Capital of the Company is ₹ 13,00,00,000/- (Rupees Thirteen Crores only) divided into 6,50,00,000 (Six Crores Fifty Lakhs only) Equity shares of ₹ 2/- (Rupees Two Only) and the paid up share capital of the Company is ₹ 9,88,39,036 (Rupees Nine Crores Eighty Eight Lakhs Thirty Nine Thousands Thirty Six only). The Company proposes to increase its Authorized Share Capital to ₹ 15,00,00,000/- (Rupees Fifteen Crores only) divided into 7,50,00,000 (Seven Crores Fifty Lacs Only) to facilitate any fund raising of equity shares of the company.

The increase in the Authorised Share Capital of the Company will also require consequential amendment in the Clause V of the Memorandum of Association of the Company.

Pursuant to Section 13 and 62 the Companies Act, 2013, alteration of the Capital Clause requires approval of the members of the Company by way of passing an Ordinary Resolution to that effect.

The Directors recommend the Resolution set out in the Notice for the approval of the Member.

None of Director, key managerial personnel (KMP) and their relatives, is concerned or interested in the said resolution except to the extent of their directorship and shareholding in the Company.

Item No. 7

The Members are aware that the Company is required, in the ordinary course of its business, to borrow money from the banks, financial institutions, promoters and promoter group of the Company, or any other body corporates, individuals or persons (hereinafter referred to as the “**Lenders**”) for the business purposes of the Company and is required to enter into loan agreements, facility agreements or other similar arrangements or agreements with such Lenders (“**Loan Agreements**”). The terms and conditions of the Loan Agreements may require, *inter alia*, to include an option to convert the outstanding loans or financial assistances into the Equity Shares of the Company.

Pursuant to provisions of Section 62(3) and other applicable provisions, if any of the Companies Act, 2013 and Rules framed thereunder, the Company is required to obtain approval of its members by way of a special resolution for raising any loans which, *inter alia*, contain an option to convert such loans into equity shares of the Company.

Accordingly, to enable the Company; a) to enter into Loan Agreements with the Lenders which, *inter alia*, contain an option to convert the outstanding loans, borrowings, advances or financial assistances (“**Loans**”) availed or to be availed from the Lenders from time to time, into the Equity Shares of the Company in accordance with the terms and conditions as specified under the Loan Agreements executed or to be executed between the Company and the Lenders or an option to adjust and treat the outstanding amount of such Loans or any part thereof as an application money while making application for subscribing to the Equity Shares of the Company offered through rights issue, preferential issue or other permissible mode in accordance with the applicable provisions of the Companies Act, 2013, regulations issued by the Securities and Exchange Board of India and other applicable laws and b) to issue and allot the Equity Shares of the Company against such Loans, the approval of members of the Company by way of a special resolution is sought at Item No. 7 of this Notice.

The proposed resolution is in the interest of the Company and your Directors recommend the proposed Special Resolution mentioned at Item No.7 of this Notice for shareholders' approval.

None of the Directors, Key Managerial Personnel and their relatives are concerned or interested financially or otherwise in the proposed resolution.

Foreword

Dear Stakeholders,

It gives me immense pleasure to present the 28th Annual Report and the performance of the Company.

The year 2019-2020 has presented both challenges and opportunities to your Company. During this year, your Company has delivered revenue of Rs. 4924.62 Lakhs and Company's net profit has increased to Rs. 174.29 Lakhs from Rs. 167.49 Lakhs in previous year.

Indian Geospatial Market is poised for growth! Governments at all levels in India - national, state and local, need data in order for governance. Geospatial data and aided applications are helping departments across various sectors in India with the same. Further, GIS use was not limited to the niche market of government and has grown substantially, as well as due to large retailers and tech startups have seen the benefits of understanding data geospatially.

Your Company has continued with its research and development activities with regard to its softwares and developed enhanced versions of the softwares which can be more useful to its users. Your company has awarded many projects from various State Government authorities and many upcoming projects are in the process.

Finally, I would like to convey my deepest gratitude to all the Board Members, Employees, Customers, Business Associates, Bankers, Shareholders, and Government Authorities with whom we have forged strong relationships, for their continued support in our journey towards creating state-of-the-art value offerings in India.

Warm Regards,

Ramesh Sojitra

Managing Director

For The Financial Year Ended March 31, 2020

**[Pursuant To Section 204(1) of the Companies Act, 2013 and Rule No.9 of The
Companies (Appointment and Remuneration Personnel) Rules, 2014**

To,

The Members,

Scanpoint Geomatics Limited,

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Scanpoint Geomatics Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on our verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2020 according to the provisions of

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act):-
 - a) The Securities and Exchange Board of India (Prohibition Of Insider Trading) Regulations, 1992; as amended on even date;
 - b) The Securities and Exchange Board of India (Issue Of Capital And Disclosure Requirements) Regulations, 2009;
 - c) The Securities and Exchange Board of India (Registrars To An Issue And Share Transfer Agents) Regulations, 1993; as amended on even date;
 - d) The Securities And Exchange Board Of India (Substantial Acquisition Of Shares And Takeovers) Regulations, 2011;
 - e) The Securities and Exchanges Board Of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 ;(Not applicable as the Company has not issued any such shares during the year under review.
 - f) The Securities and Exchanges Board of India (Issue and Listing of Debt Securities)

Regulations, 2008; (Not applicable as the Company has not issued any such Securities during the year under review).

- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable as the Company has not de-listed any such Securities during the year under review).
- h) The Securities and Exchanges Board of India (Buyback of Securities) Regulations, 1998; (Not applicable as the Company has not bought back any such Securities during the year under review).

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India, to the extent applicable under the companies Act, 2013 Regarding Convening of Meeting of the Board of Director and the Share holders of the Company.
- ii. The provisions of Listing Obligation and Disclosure Requirements (LODR) Regulations, 2015.

WE FURTHER REPORT THAT

- i. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Director The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- ii. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- iii. Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

WE FURTHER REPORT THAT there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

WE FURTHER REPORT THAT during the period under review Company has issued shares on Right basis in full Compliance with applicable Law.

Information as per Section 134(3)(m) of the Companies Act, 2013 and forming part of the Directors Report for the year ended March 31, 2020

A) Conservation of energy:

Energy conservation is an ongoing process within the Organisation. Being a software Company energy use is limited in running computer, air conditioning etc. Active measures are being adopted by upgrading the present system by replacing it with energy efficient system. Your company also facilitates WFH (Work from Home) in some of the cases based on merit which effectively contributes to reduced carbon footprint by reduction in energy consumption and commute requirement.

(B) Technology absorption, Adoption and Innovation:

Efforts made towards technology absorption and the benefit derived like product improvement, cost reduction, product development or import substitution.

Your company has invested in state-of-the-art tools to manage end to end product development cycle and enhanced security of developed assets.

As your Company has not entered into the technical collaboration with any entity, there are no particulars relating to technology absorption.

With respect to the technology innovation the Company has developed the IGIS-CAD Software for providing the services to various professional i.e. architect, interior designer, civil, mechanical and electrical engineers etc.

(C) Foreign exchange earnings and Outgo:

(Figures in Rupees)

Particulars	2019-2020	2018-19
Foreign Exchange earnings	NIL	NIL
Foreign Exchange outgo	NIL	NIL

(D) Research and Development (R&D):

Your company being in software product development, research and development is an ongoing and core activity. A sustained effort is put in to engage with the intellectual capital available with product development partner ISRO for exchange of technology know how and trends to enhance the product. Apart from this your company continues to carry our research and development in the field of Geo-spatial as well as in IT as a part of routine product development journey, however there was no specific expenditure incurred on it.

*** Ms. Shaili Mehta has been appointed as a Company Secretary and Compliance Officer of the Company w.e.f February 15, 2020.

VII) PENALTIES/PUNISHMENT/COMPOUNDING OF OFFENCES

There were no penalties / punishment / compounding of offences for breach of any section of the Companies Act, 2013 against the Company or its Directors or other Officers in default during the financial year 2019-2020.

Details under Section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

- (I) **The ratio of the remuneration of each director to the median remuneration of the employees of the company for the financial year and the percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year:**

Name of the Directors and KMP	Remuneration of the directors (₹ in Lakhs)		% increase in remuneration	Ratio to median Remuneration
	2019-2020	2018-2019		
Mr. Ramesh Sojitra, Chairman and Managing Director	24.00	24.00	-	5
Mr. Chirag Soni, CTO and Whole Time Director	21.00	18.00	16.67%	4.38
Ms. Pooja Shah, Independent Director*	0.55	-	-	-
Mr. Kantilal Ladani, Director and CFO**	3.89	4.14	-	-
Ms. Shaili Mehta, Company Secretary***	0.57	-	-	-

*Non-executive Independent Directors are paid only sitting fees for attending the Board and Audit Committee hence not Comparable.

** Mr. Kantilal Ladani does not form the part of remuneration.

*** Ms. Shaili Mehta has been appointed as Company Secretary and Compliance Officer of the Company w.e.f February 15, 2020.

- (ii) **The median remuneration of employees during the financial year under review was ₹ 4,80,000/-.**
- (iii) **The percentage increase in the median remuneration of employees in the financial year 2019-2020;**
The median remuneration of employee in the financial year 2019-2020 was ₹ 4.8 Lakhs (₹ 4.2 Lakhs in financial year 2018-19). There was Increase of 14.29% in median remuneration of employee.
- (iv) **There were 147 numbers of employees on the rolls of company as on March 31, 2020.**
- (v) **Average percentile increase made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:**
Average percentile increase made in the salaries of employees other than the managerial personnel was 22.98% and Average Increase in the managerial remuneration for the same financial year was 8.34%. The criteria for increase in remuneration of employees is based on performance evaluation carried out by the Management annually.
- (vi) **It is hereby affirmed that the remuneration is paid as per the Remuneration Policy for Directors, Key Managerial Personnel and other employees.**

Note: Managerial Remuneration includes Chairman and Managing Director and Whole Time Director.

ANNEXURE -VII

Statement of particulars of employees pursuant to the provisions of Section 197(12) of the Companies Act, 2013 read with Rule 5(2) & (3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 for the year ended March 31, 2020.

A. Top 10 employees in terms of remuneration drawn during the year:

Employee Name & Qualification	Age in Years	Designation	Date of Employment	Gross Remuneration p.a. (in Lakhs)	Total Exp. (In Year)	Last Employment	% age of equity shares held by employee
Deven Laheru, Bachelor of Engineering	47	President	01-May-18	40.80	20+ Year	Oracle India Private Limited	-
Narendra Patel, Bachelor of Engineering	53	Executive Vice President	10-Oct-18	30.00	30+ Years	HITACHI Systems Micro Clinic Pvt Ltd	-
Pratik Machchar, M.Tech	44	Sr. Vice President	09-Sept-19	30.00	20+ years	Vyap Technologies	-
Vinod Mishra, Diploma & PGDBM	40	Vice President	02-Jul-18	24.00	13+ Years	MAPMYINDIA (CE Info Systems Pvt. Ltd)	-
Rajbir Singh, MBA	49	Vice President	07-Nov-16	23.40	25+ Years	Nasent Info Technologies	-
Rakesh Patel, MSW	44	Vice President	22-March-19	21.00	20+ years	Rain Group	-
Rikin Mehta, B.E. Electrical, MBA	49	Vice President	03-Feb-20	18.00	25+ Years	Sigma Enterprise	-
Krishnkant Kumar M.Tech	46	Assistant Vice President	14-Feb-11	16.80	20+ Year	IL & FS Environment, Noida, UP	-
Kaushal Vyas, Bachelor of Engineering	50	Vice President	01-Mar-19	16.80	25+ Year	Genesys International Corp. Ltd	-
Bhavin Khanderia, MCA	41	Assistant Vice President	01-Jan-20	16.2	19+ Year	Knowarth Technologies Private Limited	-

B. Employees who are employed throughout the year and in receipt of remuneration aggregating ₹ 1.02 Crores (Rupees One Crores and Two Lakhs) or more per annum: NIL

C. Employees who are employed part of the year and in receipt of remuneration aggregating ₹ 8.50 Lakhs (Rupees Eight Lakhs and Fifty Thousand per month) or more per month: NIL

MANAGEMENT DISCUSSION AND ANALYSIS

Introduction to GIS, Industry Structure and Development

Software and computing technology are transforming businesses in every industry around the world in a very profound and fundamental way. As the world has become progressively versatile and technologically more developed, the need to locate people, places and things to derive useful information from location has gained increased importance. Geospatial popularly known as '**GIS**' data is dynamic in nature and requires periodic updates as there are continuous changes in the real world. Advance remote sensing and IOT sensor technology has made it easy to capture ever changing real world with location attribute effectively. Integrated view and geospatial analytics of location aware data has thrown many potential uses cases across various industry domains. Emergence of COVID-19 pandemic has put the focus back on effectiveness of geo-spatial data and technology for targeted response and mitigation planning by government across the globe. New geospatial techniques are being evolved to address the customary issues more viably in less time. The geospatial industry and its users are now aggressively testing these techniques to embrace them into the mainstream workflows of the organizations. The ability to visualize geographic data is becoming a standard and required part of many businesses and government administrators. Thus, increased adoption of GIS technology as decision making back bone for many organisations in different industry vertical across globe acts as opportunity for growth of geospatial market.

Technology intervention like GIS in acting as boon for vast and diverse country like India. Vision of ISRO's founder Dr. Vikram Sarabhai to use remote sensing technology for large good of society is really coming true now with aggressive adoption of GIS technology to address challenges across various sector in India. It is widely used for urban planning and administration, developing smart cities, asset management, Agriculture and forest, , disaster management, water resource management, Defense, home land Security and law enforcement agencies, land records management, geology and mining, health care, utilities like power, gas, Telecommunication, water etc. Analysis of real time as well as time series data is key drivers of GIS usage. Integrating GIS with transactional system in government administration is helping to bring about major change in form of transparency and automation, which further pushed aggressive adoption of GIS in public sector.

GLOBAL OUTLOOK

The COVID-19 pandemic is inflicting high and rising human costs worldwide, and the necessary protection measures are severely impacting economic activity. As a result of the pandemic, the global economy is projected to contract sharply by –3 percent in 2020, much more than during the 2008–09 financial crisis. In a baseline scenario—which assumes that the pandemic fades in the second half of 2020 and containment efforts can be gradually unwound—the global economy is projected to grow by 5.8 percent in 2021 as economic activity normalizes, helped by policy support.

The global geographic information systems (GIS) market size is expected to grow from USD 8.1 billion in 2020 to USD 14.5 billion by 2025 at a CAGR of 12.4% from 2020 to 2025. The key factor driving the growth of the GIS industry are the development of smart cities and urbanization, integration of geospatial technology with mainstream technologies for business intelligence, and growing adoption of GIS solutions in the transportation sector. However, geospatial data barrier and high costs associated with GIS solutions pose a major restraining factor for the growth of this market.

PERFORMANCE SNAPSHOT

During the year under review, there has been a marginal impact of COVID-19 on Project Deliveries due to the Lockdown in the last quarter of the year. However, the Company has been able achieve higher profits as compared previous year. Also, there has been visible improvement in the Topline of the Company. We remain focused on executing our strategy and increasing momentum of our businesses across the key sector for long term, sustainable growth.

Your company's customer centric approach to provide comprehensive solution for customer's business challenge has helped in acquiring many turn key enterprise GIS solution in the domain of smart cities, urban planning, spatial data registry, land records etc. Partnership with large MSIs (Master System Integrator) and GIS service providers has further enhanced the reach of your company. To boost its product license your company has added IGI CAD as standalone product for target segment of AEC, mechanical and electrical engineering in this financial year.

In line with “Make in India” campaign of Government of India, your company has contributed in the field of GIS & Image Processing software technology, in consortium with Indian Space Research Organisation (ISRO), Government of India. Your Company has continued with its research and development activities with regard to its product.

COMPANY PROSPECT AND FUTURE OUTLOOK

The main business of the company is to provide IGI technology in the domain of Geomatics to several business areas. Geomatics is now being used in various segments including Environment, Healthcare, Forestry, Emergency Response, Land Information, Transportation, Resource Exploration, Agriculture, Telecommunication, Urban Planning & Infrastructure, Defense & Security, Developing Smart Cities and Power & Gas Utilities. An Indigenous technology is the strongest attribute of the Company. With the policy initiative of government of India to provide preference to “Make In India” product for all government purchases, your company is well poised to seize the initiative to fuel next phase of growth. Considering the usage of IGI Technology in various verticals, your management strives to identify the growth opportunities to deliver strong performance.

The management is focusing on solution vertical like Smart City, Urban Planning and Infrastructure, Defense & Security, law enforcement agencies, forest and Agriculture, land records, disaster management and utilities. In smart city domain your company has emerged as key player by bagging orders for implementation of enterprise GIS solution for many cities. With established credential and healthy funnel of many upcoming smart city projects in near future, we expect exponential revenue growth in smart city vertical. We believe that technology foundation being created in smart cities is just a start and many Geo-enabled use cases like 3D city modelling in urban planning, smart utility management, smart environment management etc. has huge potential in short to medium term time frame. Many government welfare schemes for agriculture sector would need geo-mapping of land records for effective implementation. We expect significant potential for long term orders as well as revenue conversion in this domain mainly due to proven IGI-LIS developed by your company. With focus to improve farm productivity, solution like IGI-AIS (Agriculture Information system) has resonated well with many government authorities. We see with increased use of remote sensing technology in agriculture sector, this vertical would be a long medium to long term growth driver for your company. As Make In India product, defence has always been a next big thing for us. Having proven our capability and product maturity through multiple order execution as well as series of technology evangelism with Indian armed forces, your company is well placed to increase penetration in defence sector. Strong push for indigenous technology under Atmanirbhar Bharat it would only accelerate the pace further. Since long, utility industry has seen the strong ROI for investment in GIS. We see a huge jump in need for GIS implementation in verticals like gas, telecom, power and water due to various government initiatives like BharatNet project to link all villages with fiber, granting of CGD (City Gas Grid) license for many cities, next phase of IPDS (Integrated power distribution scheme) implementation and “Nal se Jal” scheme of GoI for providing tapped water supply to each household by 2024. Your Company has developed effective solutions for all these verticals which duly comply with Digital India Initiatives. Apart from this, GoI's commitment for reform in space technology, new geo spatial and remote sensing policy in near future can be a game changer to unlock the value for geo-spatial industry at a large. Your company is closely monitoring the development and ready to seize the opportunity on back of its existing partnership with ISRO. With increased reach in market through direct sales team as well as partners, We are well placed in market to explore and tap into the opportunities in GIS.

FINANCIAL REVIEW

Revenue from operations

The revenue from operations stood at ₹ 4924.62 lakhs as compared to ₹ 4127.07 lakhs in the previous year.

Profit Before Tax /Profit After Tax

During the year under review profit before tax stood at ₹ 250.44 lakhs as compared to previous year ₹ 225.37 lakhs and Profit after tax for the year under review stood at ₹ 174.29 as compared to previous year ₹ 167.49 lakhs.

Depreciation

During the year under review the depreciation is ₹ 87.75 Lakhs as compared to ₹ 78.15 Lakhs in the previous year.

Balance sheet

Equity and Other Equity

The Equity and Other Equity (includes Paid up Capital, Security Premium and other reserves), during the year under review stood at ₹5570.29 lakhs as compared to ₹ 4423.80 lakhs.

Property Plant & Equipment

During the year under review, the Company has purchased Computers, Peripherals and other installation. Property, Plant & Equipment and Intangible assets of the Company stood at ₹ 180.81 Lakhs as compared to ₹ 146.18 Lakhs in the previous year.

Trade Receivables

Trade receivables, during the year under review, stood at ₹1194.10 Lakhs as against ₹ 1448.62 Lakhs in the previous year.

Trade Payables

Trade Payable was ₹ 114.59 Lakhs at the end of current fiscal as compared to ₹ 358.40 Lakhs in the previous year.

Details of Significant Changes in the Key Financial Ratios & Return on Net Worth (details to be taken from the accounts)

Pursuant to amendment made in Schedule V to the SEBI Listing Regulations, details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in Key Financial Ratios and since there were no changes above 25% as compared to immediately previous financial year. Henceforth the explanation for the change in financial ratios is not required.

Particular	March 31, 2020	March 31, 2019	Change between current FY & Previous FY
Debtor Turnover	3.69	3.31	0.38
Inventory Turnover	NA	NA	NA
Current Ratio	1.70	1.48	0.22
Debt Equity Ratio	0.62	0.61	0.01
Interest Coverage Ratio	2.41	2.89	-0.48
Operating Profit Margin (%)	8.79	8.68	0.11

RISKS & CONCERNS

As it is normal and prevalent for any business, the Company also is likely to face competition from existing companies. There can be risks inherent in meeting unforeseen situations, not common in the industry. Your

Company also recognizes the risks associated with business and takes adequate measures to address the associated risks and concern.

Except as otherwise stated and the Risk factors mentioned here, the following important factors could also cause the actual results to differ materially from the expectations:

- Changes in domestic laws, regulations and taxes.
- Failure to obtain and retain certain approvals and licenses.
- Risk in realization of Contingent Liabilities.
- Termination of customer contracts without cause and with notice period or penalty.
- Occurrence of natural disasters or calamities, pandemic or socio-political unrest affecting the areas in which we have operations.
- Disruption in sources of funding could adversely affect the liquidity and financial position of the Company however, the Company meets its funding requirements from diverse sources i.e. Shareholder funding, secured and unsecured loan and several other credit facilities.

The Company has laid down a well defined risk management mechanism covering the risk mapping, risk exposure, potential impact and risk mitigation process. The Board periodically reviews the risk and suggests the steps to be taken to control and mitigate the same through properly defined framework.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

SGL has proper and adequate system of internal controls to ensure that all assets are safeguarded, and protected against loss from unauthorized use or disposition, and that transactions are authorized, recorded and reported correctly.

The internal control systems are supplemented by an extensive programme of internal audits, reviews by management, and documented policies, guidelines and procedures. The internal control systems are designed to ensure that the financial and other records are reliable for preparing financial statements and other data, and for maintaining accountability of assets.

HUMAN RESOURCES

The Company's HR philosophy is to establish and build a high performing organization, where each individual is motivated to perform to the fullest capacity: to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel. Industrial relations are cordial and satisfactory.

We continuously strive to attract and retain the best talent from the local markets; clearly define their roles and responsibilities; include them into robust performance management systems; create an inspiring and rewarding work environment; engage them into an inclusive work place; impart training and create development opportunities for increasing employee knowledge and efficiency to make them future ready and to create career opportunities.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's objectives, projections estimates, and exceptions may be "forward looking statements" within the meaning of applicable laws and regulations. These statements are based on certain assumptions and expectations of future events. Actual results may differ materially from those expressed or implied. Important factor that could make a difference to the Company's operations include economic conditions affecting demand/ supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and other incidental factor The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

CORPORATE GOVERNANCE REPORT

(As required under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time)

COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

Your Director present the Company's Corporate Governance Report for the year ended March 31, 2020 in terms of Regulation 34(3) read with schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as "Listing Regulation.")

SGL's Corporate Governance philosophy is about intellectual honesty whereby the governance is not just about encompassing regulatory and legal requirements but also strives to enhance stakeholders' value as a whole. Your Company belongs to a legacy where the visionary founders laid the stone for good governance. Your company's philosophy includes protection and facilitation of shareholder's rights, provide adequate and timely information, opportunity to participate effectively in general meeting and ensure equitable treatment to all shareholders.

Your company also ensures timely and accurate disclosure on all the material matters including the financial situation, performance, ownership and governance of the Company. The Company views corporate governance in its widest sense, almost like trusteeship, integrity, transparency, accountability and compliance with laws which are the columns of good governance and are reflected in the Company's business practices to ensure ethical and responsible leadership both at the Board and at the Management Level.

The Company's philosophy on Corporate Governance is to enhance the long-term economic value of the Company and give sustainable return to its stakeholders i.e. the society at large by adopting best corporate practices in fair and transparent manner by aligning interest of the Company with that of its shareholders / other key stakeholders. Corporate Governance is not merely compliance and not simply creating checks and balances, it is an ongoing measure of superior delivery of Company's objects with a view to translate opportunities into reality. This, together with sustainable development attributes followed by the Company, has enabled your Company to earn trust and goodwill of its investors, business partners, employees and the communities in which it operates. The Company places emphasis on integrity of internal control systems and accountability and total compliance with all statutory and / or regulatory requirements.

1. BOARD OF DIRECTORS

Composition and Category of Board of Directors as on March 31, 2020:

The Board of Directors of the Company have an optimum combination of Executive and Non-Executive Directors and in conformity with the provisions of Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Board of Directors of the Company comprises of 10 (Ten) Directors – 3 (Three) Executive Directors and 7 (Seven) Non-Executive Directors, of whom 5 (Five) are Independent Directors including 1 (One) Independent Women Director. The Board does not have any nominee director as on March 31, 2020.

The maximum tenure of the Independent Directors is in compliance with the Companies Act, 2013 and Listing Regulations. All the Independent Directors have confirmed that they meet the criteria as mentioned under the Regulation 16(1)(b) of the Listing Regulations and Section 149(6) of the Companies Act, 2013.

1.1 Brief Profile of Directors

The Board of Directors comprises of Professionals from the diverse fields. They bring to the force a wide range of skills and experience to the Board which make the Board's decision effective.

The following is the list of core skills/expertise/competencies identified by the Board of Directors as required in the context of its business(es) and sector(s) for it to function effectively and those actually available with the Board

- 1. Nature of Industry:** Knowledge of industry, policies, major risks / threats and potential opportunities in which the Company operate.
- 2. Financial Management:** Experience in accounting / finance/ Government or public policy / economy / strategy development and implementation.
- 3. Governance:** Governance competencies like compliance focus, risk management experience, building long term effective stakeholder engagements and driving corporate ethics and value.
- 4. Strategic Planning:** Evaluating long term projections, experience in guiding and leading management teams to make decision in uncertain conditions.

5. **Technology:** Anticipating in Technological trends, developing the software programs Quality assurance and design software.

The table below expresses the specific areas of focus or expertise of individual Board members. However, absence of a tick mark does not necessarily mean the member does not possess the corresponding skills/expertise.

Name of Directors	Nature of Industry	Financial Management	Governance	Strategic Planning	Technology
Mr. Ramesh Sojitra	✓	✓	✓	✓	✓
Mr. Chirag Soni	✓	-	✓	✓	✓
Mr. Kantilal Ladani	✓	✓	✓	✓	-
Mr. Mitesh Sanghavi	✓	✓	✓	✓	-
Mr. Manish Dangi	✓	✓	✓	✓	✓
Mr. Dinesh Shah	✓	✓	✓	✓	-

Mr. Suresh Tejwani	Independent, Non-Executive Director	11	11	Yes	Nil	Nil	Nil
Mr. Kalpesh Rachhh	Independent, Non-Executive Director	11	11	Yes	Nil	Nil	Nil
Ms. Pooja Shah	Independent, Non-Executive Director	11	11	Yes	Nil	3	Nil

As required under Regulation 26(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") the Chairmanship and Memberships in Audit Committee and Stakeholders' Relationship Committee, Nomination and Remuneration Committee are only considered. Other directorships do not include directorships held in private limited companies. The Company is in compliance with the composition of Board of Directors in terms of the Listing Regulations. None of the Non-Executive Directors held shares in the Company.

4. Information Material

The Company has a system to circulate and provide adequate information to the Board, including minimum information to be placed before the Board as required under Part- A of Schedule II of Listing Regulations to enable the Board to take informed decisions. As required under Regulation 17(3) of the Listing Regulations, the Board periodically reviews compliances of various laws applicable to the Company.

5. Date and Number of Board Meetings Held:

During the year 2019-20, 11 (Eleven) Meetings were held on the following dates: May 3, 2019, May 15, 2019, May 30, 2019, June 24, 2019, August 2, 2019 August 7, 2019, September 3, 2019, September 30, 2019, October 7, 2019, December 14, 2019 and February 14, 2020. The Company has observed the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 regarding meeting of Board of Directors and that the time gap between two consecutive board meetings was not more than one hundred and twenty days. The necessary quorum was present for all the meetings.

6. Performance Evaluation of Directors:

The Board of directors have approved and laid down the criteria for performance evaluation of all Directors by the Nomination and Remuneration Committee. The performance evaluation has been done by the entire Board of Directors, except the Director concerned being evaluated at the separate meetings of Independent Directors and Non-Independent Directors held. The criteria for performance evaluation are as follows:

- To understand the nature and role of Independent Director's position.
- Understand the risks associated with the business.
- Application of knowledge for rendering advice to the Management for resolution of business issues.
- Offer constructive challenge to management strategies and proposals.
- Non-partisan appraisal of issues.
- Give own recommendations professionally without tending to majority or popular views.
- Handling issues as Chairman of Board and other committees.
- Driving any function or initiative based on domain knowledge and experience.
- Level of commitment to roles and fiduciary responsibilities as a Board Member.
- Attendance and active participation.
- Ability to think proactive, strategic and laterally.

7. Separate Meeting of Independent Directors:-

As stipulated by the Code of Independent Directors under the Companies Act, 2013 and with Regulation 25 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, a separate meeting of the Independent Directors of the Company was held on March 20, 2020 in which majority Independent Directors were present and they have discussed and evaluated:

- Performance of Non- Independent Directors and the Board of Directors as a whole;
- Performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non-Executive Directors.
- Quality, quantity content and timelines of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

7.1 Familiarization Programme for Directors

Your company follows a structured familiarization programme through various reports and internal policies for all the Directors with a view to update them on the Company's policies on a regular basis. A detailed Familiarization programme as followed by the Company is available at <https://www.sgligis.com/wp-content/uploads/Familiarisation-Programme.pdf>

7.2 Confirmation as regards independence of Independent Directors

In the opinion of the Board, both the existing Independent Directors and those who is proposed to be re-appointed at the Annual General Meeting, fulfill the conditions specified in the Listing Regulations and are independent of the Management.

7.3 Criteria for Evaluation of Independent Directors

Performance of evaluation of Independent Directors shall be done by the entire Board of Directors, excluding the director being evaluated.

Independent Director shall be evaluated on the basis of Role and Functions performed and duties discharged by him during the year. Their role, functions and duties are evaluated on the basis of criteria such as attendance and contribution in the meeting, exercise of Independent Judgment, Managing Relationship with fellow Board Members, their knowledge and skill, assist the Company in implementing best corporate governance practices and its monitor, level of confidentiality and ethical standards of integrity and probity.

8. Code of Conduct

The Board has laid down a Code of Conduct for Board of Directors and senior management Personnel which is posted on the website of the Company. All Board members have affirmed the compliance with this Code of Conduct. Consequently Chairman and Managing Director has signed a declaration stating that the member of Board of Directors and Senior Management Personnel have affirmed Compliance with the Code of Conduct.

9. Audit Committee

The Audit Committee of the Company consists of 3 Directors consisting of independent and executive directors. All members of the Audit Committee have accounting and financial management expertise. 7 (Seven) Audit Committee Meetings were held during the period under review viz., May 3, 2019, May 30, 2019, August 02, 2019, September 30, 2019, October 7, 2019, January 3, 2019 and February 14, 2020. The Company Secretary acts as the Secretary to the Audit Committee.

The Audit Committee reviews the matters falling in its terms of reference and addresses larger issues and examines those facts that could be of vital concerns to the Company. The terms of reference of the Audit Committee constituted by the Board in terms of Section 177 of the Companies Act, 2013, broadly includes matters pertaining to adequacy of internal control systems, review of financial reporting process, discussion of financial results, interaction with auditors, appointment and remuneration of auditors, adequacy of disclosures and other relevant matters.

The role of Audit Committee shall include the following:

- The recommendation of appointment, remuneration and terms of appointment of auditors of the Company.
- Review and monitor the auditors' independence, their performance and effectiveness of audit process.
- Reviewing with the management, the annual financial statements before submission to the Board for approval, with particular reference to.
- Matters required to be included in the Directors Responsibility Statement to be included in the Board Report in terms of Section 134 of the Act.
- Changes, if any, in accounting policies and practices and reason for the same.
- Compliance with listing and other legal requirements relating to financial statements.
- Disclosure of any related party transactions.
- Reviewing, with the management, the quarterly financial statements before submission to the board for approval.
- Approval or subsequent modification of transactions of the listed entity with related parties.
- Evaluation of internal financial controls and risk management systems.
- Reviewing, with the management, performance of statutory and internal auditors, adequacy of the

internal control systems.

- Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit.
- To review the functioning of the whistle blower mechanism.
- Carrying out any other function as is mentioned in the terms of reference of the Audit Committee.
- Oversight of the entity's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible.
- Identifying and managing risks to the company.

Corporate Governance Compliance Certificate

To,
The Members of
Scanpoint Geomatics Limited

We have examined the compliance of conditions of Corporate Governance by **SCANPOINT GEOMATICS LIMITED** for the year ended March 31 2020, as stipulated in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 of the said Company with Stock Exchange(s).

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company, for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, the Company has generally complied with the mandatory conditions of Corporate Governance as stipulated in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We state that no investor grievance(s) is/are pending for a period exceeding for one month against the Company as per the records maintained by the Stakeholders Relationship Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SCANPOINT GEOMATICS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Scanpoint Geomatics Ltd.** ("the company"), which comprise the Balance Sheet as at March 31, 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Change in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

1. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our auditor addressed the key audit matter
<p><u>1. Recoverability of Loans to Subsidiary Company</u></p> <p>The Company has advanced a sum of ₹ 78.45 Lakhs as on March 31, 2020. The company had given the advance to its subsidiary during the previous financial year as well as during the current financial year.</p> <p>The aggregate of advance as on March 31, 2019 was ₹ 52.80 Lakhs which has increased to ₹ 78.45 Lakhs as on March 31, 2020.</p> <p>This payment is in nature for technology transfer to Holding Company. When the technology is ready for transfer, the said will be asset of Holding Company.</p>	<p>We reviewed management's rational and objective for providing advance to subsidiary. We reviewed management's assessment of recoverability advances to subsidiary and corroborated the same with the financials of subsidiary. We reviewed the Company's internal control system for advancing the money to suppliers and subsidiary and carried out a combination of procedures involving enquiry and observation and inspection of evidence in respect of these loans and advances. Our audit approach consisted testing of design and operating effectiveness of internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> • Review of complete details of advance given to subsidiary and corroborating the same with of ledger Accounts and confirmation of subsidiary. • Review of onward payment by subsidiary to various parties and with the supporting documents / Purchase Orders / Invoices etc. • Reviewed the procedures followed by Scanpoint and subsidiary for selection of vendors and justification of terms of payments, delivery, warranties/Guarantees etc. • Assessed present status of Advance, receipt / availability of material/services. • Obtained explanation from the management and went through the report obtained by the company from external independent expert on fund utilization. Based on our procedures, we found management's judgment around the recovery of the Advance to be appropriate.

Information other than the Financial Statements and Auditor's Report thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, Management discussion and Analysis and Report on corporate governance but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate

the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.

- ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, required to be transferred, to the Investor Education and Protection fund by the company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Scanpoint Geomatics Limited** (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit

preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

1. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the Internal Control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITORS REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
(b) According to information and explanation given to us, during the year, the management conducted physical verification of certain fixed assets in accordance with its policy of physical verification in a phased manner. In our opinion, such frequency is reasonable having regard to the size of the Company and the nature of its fixed assets. As explained to us, the discrepancies noticed on physical verification as compared to book records maintained, were not material and have been properly dealt with in the books of account.
(c) According to information and explanation given to us and the records examined by us and based on the examination of the registered conveyance deed provided to us, we report that, the title deeds, comprising all the immovable properties of buildings which are freehold as at the balance sheet date, are held in the name of the Company. In respect of immovable properties of land that have been taken on lease, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
2. The Company deals in nature of software business in which inventory of the company could not be physically verified as all the inventories are of intangible assets. Inventory as on March 31, 2020 is work in progress and it would be transferred to unbilled revenue whenever its completion stage comes to 100%. The inventory of ₹ 3,74,92,559 shown in balance sheet represents project work in progress expenditure which is under development stage.
3. According to the information and explanations given to us, during the year the Company has granted advance of ₹ 78.45 lakhs as on March 31, 2020 to its subsidiary company covered in the register maintained under section 189 of companies Act, 2013. The terms are not prejudicial to the Company's interest.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
5. According to the information and explanations given to us, the Company has not accepted any deposit during the year and does not have any unclaimed deposits and hence reporting under clause 3(v) of the Order is not applicable.
6. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under clause 3(vi) of the Order is not applicable to the Company.
7. According to the information and explanations given to us, in respect of statutory due:
 - (a) The company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employee's State Insurance, Income-tax, Goods and Service Tax, Customs Duty, cess and other material Statutory Dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident fund , Employees' State Insurance, Goods and Service Tax, Customs Duty, cess and other material statutory dues in arrears except for TDS applicable under Income tax Act, 1961 as at March 31, 2020 for a period of more than six months from the date they became payable. Details of dues of TDS are as under:

Name of the statute	Nature of Dues	Amount unpaid as on September 30, 2019 (in ₹)	Amount unpaid as on March 31, 2020 (in ₹)
Income Tax Act	Tax deducted at source on Rent	4,02,033	1,22,773

- (c) According to the records of the Company, except Income Tax dues no dues of Service tax, Duty of Customs, Excise Duty, Value Added tax, Goods and Service tax, cess which have not been deposited on account of disputes.

The particulars of dues of Income Tax outstanding as at March 31, 2020 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of Dues	Amount unpaid (in ₹)	Period to which the amount relate	Forum where dispute is pending
Income Tax Act	Income Tax	1,04,86,430	A.Y. 2016-17	CIT(A) -8, Ahmedabad

8. According to the information and explanations given to us, the Company has not committed any default in repayment of dues to banks and financial institutions. The Company has not borrowed any funds by way of issue of debentures.
9. The Company has not raised any moneys by ways of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under Clause 3(ix) of the Order is not applicable. However, the company has received ₹ 9,96,77,837 (₹ 86,67,638 for face value and ₹ 9,10,10,199 for securities premium reserve) towards issue of 43,33,819 right shares to its existing shareholders.
10. To the best of our knowledge and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
11. According to the information and explanations given to us, the Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it, the provisions of 3(xii) of the Order are not applicable to the Company.
13. In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
14. During the year, the company except shares has not made any preferential allotment or private placement or fully or partly convertible debentures. During the year the company has issued 43,33,819 right shares of face value ₹ 2 per share at a premium of ₹ 21.
15. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
16. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act 1934.

Notes forming part of Financial Statements

1. CORPORATE INFORMATION

The Scanpoint Geomatics Limited is a public company incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange.

The Company is engaged in the business of GIS based software development and sales.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION & PRESENTATION OF FINANCIAL STATEMENTS

(a) Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

(b) Basis of measurement

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain financial instruments which are measured at fair value at end of the each reporting period, as explained in the accounting policies below.

(c) Use of judgement, estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions considered in the reported amounts of assets and liabilities and disclosure relating to contingent liabilities as at the date of financial statement and the reported amounts of income and expenditure during the reported year. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

i) Income taxes

The Company's major tax jurisdictions is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. In assessing the reliability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

ii) Impairment testing

Investments in subsidiaries, goodwill and intangible assets are tested for impairment

annually and when events occur or changes in circumstances indicate that the recoverable amount of the asset or cash generating units to which these pertain is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to dispose. The calculation of value in use of a cash generating unit involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

iii) Depreciation and amortisation

Depreciation and amortisation is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

iv) Other estimates

The preparation of financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

The stock compensation expense is determined based on the Company's estimate of equity instruments that will eventually vest.

Fair valuation of derivative hedging instruments designated as cash flow hedges involves significant estimates relating to the occurrence of forecast transaction.

v) Estimation of uncertainties relating to the global health pandemic COVID-19:

The management has considered the possible effects, if any, that may result from the pandemic relating to Covid 19 on the carrying amounts of receivables. In making the assumptions and estimates relating to the uncertainties as at the Balance sheet date in relation to recoverable amounts of these assets, the management has considered the global economic conditions prevailing at the date of approval of these financial statements and has used internal and external sources of Information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in the future due to the impact of the pandemic.

2.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

(b) Investment In Subsidiaries, Associate And Joint Venture:

Investment in subsidiary companies, associate and joint venture companies are carried at cost less accumulated impairment losses, if any. Where an indication of Impairment exists, the carrying amount of the investment is assessed and written down immediately to its

recoverable amount. On disposal of investments in subsidiary companies, associate and joint venture companies, the difference between net disposal of proceeds and the carrying amounts are recognised in the statement of Profit and Loss.

(c) Property, plant and equipment

Property, plant and equipment are measured at historical cost or its deemed cost less accumulated depreciation and impairment losses, if any. Historical Cost includes expenditures directly attributable to the acquisition of the asset.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

(d) Capital work-in-progress

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital advances and capital work-in-progress respectively.

(e) Depreciation/ Amortisation

Depreciable amount for assets is the cost of asset less its estimated residual value.

Depreciation has been provided on all assets on the straight line method, as per the useful life prescribed in Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. The Company assesses at each Balance Sheet date whether there is objective evidence that an asset or a group of assets is impaired. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

The residual values are not more than 5% of the original cost of assets.

(f) Leases

From April 1, 2019, Ind AS 116 'Leases' is applicable to all the listed companies. Ind AS 116 has certain exemptions from the application of Ind AS – 116:

(i) Short Term Leases

A lease that, at the commencement date, has a lease term of 12 months or less. However, a lease that contains an option to purchase the asset is not a short-term lease.

- The election for short-term leases shall be made by class of underlying asset to which the right of use relates and can be made on a lease-by-lease basis.

(ii) Leases for low value assets

An underlying asset can be of low value only if:

- the lessee can benefit from use of the underlying asset on its own or together with other resources that are readily available to the lessee; and
- the underlying asset is not highly dependent on, or highly interrelated with, other assets.

- Examples of low-value underlying assets can include tablet and personal computers, small items of office furniture and telephones.
- When new, if the asset is typically not of low value, the lease of such asset does not qualify as a lease of a low-value asset.
- If a lessee subleases an asset, or expects to sublease an asset, the head lease does not qualify as a lease of a low-value asset.
- The assessment of whether an underlying asset is of low value is performed on an absolute basis. Leases of low-value assets qualify for recognition exemption regardless of whether those leases are material to the lessee. The assessment is not affected by the size, nature or circumstances of the lessee.

Accounting for short term and low value asset leases

If a lessee elects to opt for the recognition exemption for either short-term leases or leases for which the underlying asset is of low value, the lessee shall recognise the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis.

According to information and explanation provided to us, all the lease agreements of company are short term lease agreements so application of new Ind AS – 116 'Leases' is not applicable to us.

(g) Financial Instruments

All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payables are recognised net of directly attributable transaction costs.

For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non-derivative financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI or fair value through profit and loss account (FVTPL), non derivative financial liabilities at amortised cost or FVTPL and derivative financial instruments (under the category of financial assets or financial liabilities) at FVTPL.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

Non-derivative financial assets

i. Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest rate method, less any impairment loss.

Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

ii. Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI)

For assets, if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and where the company has exercised the option to classify the equity investment as at FVTOCI, all fair value changes on the investment are recognised in OCI. The accumulated gains or losses on such investments are not recycled to the Statement of Profit and Loss even on sale of such investment.

iii. Financial assets at Fair Value through Profit and loss (FVTPL)

Financial assets which is not classified in any of the above category is measured at FVTPL. These include surplus funds invested in mutual funds etc.

Financial assets included within the FVTPL category are measured at fair values with all changes recorded in the statement of profit and loss.

Non-derivative financial liabilities

Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method. For trade and other payable maturing within one year from the Balance Sheet date, the carrying value approximates fair value due to short maturity.

Financial liabilities at Fair Value through Profit and loss (FVTPL)

Financial liabilities at FVTPL represented by contingent consideration are measured at fair value with all changes recognized in the statement of profit and loss.

Derivative financial instruments and hedging activities

A derivative is a financial instrument which changes value in response to changes in an underlying asset and is settled at a future date. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged.

The Company enters into derivative contracts to hedge the risks asserted with currency fluctuations relating to firm commitments and highly probable transactions. The Company does not use derivative instruments for speculative purposes.

The Company documents, at the inception of the transaction, the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategy for undertaking various hedging transactions. The Company also documents its assessment, both at hedge inception and on an on-going basis, of whether the derivatives that are used in hedging transactions are effective in offsetting changes in cash flows of hedged items.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in Other Comprehensive Income. The ineffective portion of changes in the fair value of the derivative is recognised in the Statement of Profit and Loss.

Amounts accumulated in hedging reserve are reclassified to the Statement of Profit and Loss in the periods when the hedged item affects the Statement of Profit and Loss.

The full fair value of a hedging derivative is classified as a current/ non-current, asset or liability based on the remaining maturity of the hedged item.

When a hedging instrument expires, swapped or unwound, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss existing in Statement of Changes in Equity is recognised in the Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

Fair value measurement

The Company classifies the fair value of its financial instruments in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the Balance Sheet date.
- ii) Level 2 - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs). When the fair value of unquoted instruments cannot be

measured with sufficient reliability, the Company carries such instruments at cost less impairment, if applicable.

(h) Employee Benefits

i. Short term employee benefits:

Short Term benefits are recognized as an expense at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered.

ii. Post employment benefits:

a) Defined contribution plan:

The Employee and Company make monthly fixed Contribution to Government of India Employee's Provident Fund equal to a specified percentage of the Cover employee's salary, Provision for the same is made in the year in which service are render by employee.

b) Defined benefit plans:

The Liability for Gratuity to employees, which is a defined benefit plan, as at Balance Sheet date determined on the basis of actuarial Valuation based on Projected Unit Credit method and the contribution thereof paid/payable is absorbed in the accounts.

The present value of the defined benefit obligations is determined by discounting the estimated future cash flows at a predetermined rate of interest, taking into account the probability of payment. This cost is included in employee benefit expenses in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in balance sheet. Changes in present value of the defined benefit obligation resulting from plan amendment or curtailments are recognized immediately in profit or loss as past service cost.

iii. Other long term employee benefits:

Other long term employee benefits comprises of leave encashment towards un-availed leave and compensated absences, these are recognized based on the present value of defined obligation which is computed using the project unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Remeasurement of leave encashment towards un-availed leave and compensated absences are recognized in the statement of profit and loss except those included in cost of assets as permitted in the period which they occur.

(I) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. Provisions for onerous contracts are measured at the present value of lower of the expected net cost of fulfilling the contract and the expected cost of terminating the contract.

(j) Income Taxes

Income tax comprises current and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

- a) **Current income tax** - Current income tax liability/ (asset) for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the year. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the year. The Company off sets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.
- b) **Deferred tax** - Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax asset is recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

INCOME TAX

A) Major Components of Deferred Tax Liabilities /(Assets) arriving on account of timing difference are as follow:

As at March 31, 2020

MAT Credit entitlement	-	-
Income Tax for Prior years	-	-
Other		
	70,47,628	49,70,664

(k) Cash flow Statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expense associated with investing or financing cash-flows. The cash flow from operating, investing and financing activities of the Company are segregated.

(l) Revenue Recognition

The Company derives revenue primarily from software development and from the licensing of software products. The Company recognizes revenue when it transfers control over a product or a service to a customer. The method for recognizing revenues and costs depends on the nature of the services rendered.

The timing of revenue recognition, billings and cash collections results in receivables, unbilled revenue, and unearned revenue on the Company's Balance Sheet. Amounts are billed as work progresses in accordance with agreed-upon contractual terms, either at periodic intervals (e.g., monthly or quarterly) or upon achievement of contractual milestones.

The Company's receivables are rights to consideration that are unconditional. Unbilled revenues comprising revenues in excess of billings from time and material contracts and fixed-price maintenance contracts are classified as financial asset when the right to consideration is unconditional and is due only after a passage of time.

Invoicing to the clients for other fixed-price contracts is based on milestones as defined in the contract and therefore the timing of revenue recognition is different from the timing of invoicing to the customers. Therefore unbilled revenues for other fixed-price contracts (contract asset) are classified as "non-financial asset" because the right to consideration is dependent on completion of contractual milestones. Invoicing in excess of earnings is classified as "unearned revenue".

Trade receivables and unbilled revenues are presented net of impairment in the Balance Sheet. During the years ended March 31, 2020 and March 31, 2019, 4.15 crore and 4.32 crore of unbilled revenue pertaining to other fixed price and fixed time frame contracts as of April 1, 2019 and April 1, 2018, respectively has been reclassified to "trade receivables" upon billing to customers on completion of milestones.

Remaining performance obligation disclosure:

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognized as at the end of the reporting period and an explanation as to when the Company expects to recognize these amounts in revenue. Applying the practical expedient as given in Ind AS 115, the Company has not disclosed the remaining performance obligation-related disclosures for contracts where the revenue recognized corresponds directly with the value to the customer of the entity's performance completed to date, typically those contracts where invoicing is on time and material and unit of work-based contracts. Remaining performance obligation estimates are subject to change and are affected by several factors, including terminations, changes in the scope of contracts, periodic revalidations, adjustment for revenue that has not materialized and adjustments for currency.

a) Time and materials contracts

Revenues from contracts priced on a time and material basis are recognised as the related services are performed and related costs are incurred.

b) Fixed-price contracts

Revenues from fixed-price contracts are recognized using the "percentage-of-completion" method. Percentage of completion is determined based on project costs incurred to date as a percentage of total estimated project costs required to complete the project. The cost expended (or input) method has been used to measure progress towards completion as there is a direct relationship between input and productivity.

If the Company does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of profit and loss in the period in which such losses become probable based on the current contract estimates.

c) Maintenance Contracts

Revenue from maintenance contracts is recognized ratably over the period of the contract using the "percentage-of-completion" method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight line basis over the specified period or under some other method that better represents the stage of completion.

'Unbilled revenues' represent cost and earnings in excess of billings as at the end of the reporting period.

'Unearned revenues' represent billing in excess of revenue recognized. Advance payments received from customers for which no services are rendered are presented as 'Advance from customers.'

Revenues are reported net of GST and applicable discounts and allowances.

REVENUE FROM OPERATIONS

Particulars	Year 2019-2020	Year 2018-2019

I. Net gain on foreign currency transaction	14,82,056	41,46,576
Total	47,27,888	1,56,61,327

(m) Dividend and dividend distribution tax

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors. The Company declares and pays dividends in Indian rupees and are subject to applicable distribution taxes. The applicable distribution taxes are treated as an appropriation of profits.

(n) Foreign Currency transactions and translations

Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the Statement of Profit and Loss and reported within foreign exchange gains/ (losses).

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

Foreign currency gains and losses are reported on a net basis. This includes changes in the fair value of foreign exchange derivative instruments, which are accounted at fair value through profit or loss.

(o) Finance Income and expense

Finance income consists of interest income on funds invested, dividend income and fair value gains on the FVTPL financial assets. Interest income is recognized as it accrues in the statement of profit and loss, using the effective interest method.

Dividend income is recognized in the statement of profit and loss on the date that the Company's right to receive payment is established.

Finance expenses consist of interest expense on loans and borrowings. Borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method.

(p) Impairment

a) Financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss.

The Company assesses at each Balance Sheet date whether a financial asset or a group of financial assets is impaired. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivable and unbilled revenue. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company recognizes lifetime expected credit losses for all trade receivables and/or other contract assets that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ECL allowance (or reversal) is recognised as income / expense in the Statement of Profit and Loss.

b) Non-financial assets

The Company assesses at each reporting date whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in Statement of Profit and Loss and reflected in an allowance account. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through Statement of Profit and Loss.

The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net off any accumulated depreciation/amortisation) had no impairment loss been recognised for the asset in prior years.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

(q) Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

(r) Contingent Liabilities

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

(s) Contingent Assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Company does not recognize a contingent asset.

(t) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(u) Intangible Assets

Intangible assets are measured on initial recognition at cost (net of recoverable taxes, if any). Subsequently, intangible assets are carried out at cost less any accumulated amortization and accumulated impairment losses, if any.

The gain or loss arising on the disposal or retirement of an intangible asset is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized as income or expenses in the Statement of Profit and Loss in the year or disposal.

(v) Borrowing Costs

Borrowing costs include interest and amortization of ancillary costs incurred to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

During the year company has not capitalized any borrowing cost.

(w) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupees as per the requirement of Schedule III, unless otherwise stated.

(x) Goods & Service Tax:

GST credit on materials purchased for production / service availed for production / input service are taken into account at the time of purchase and GST credit on purchase of capital items wherever applicable are taken into account as and when the assets are acquired.

The GST credits so taken are utilized for payment of excise duty/GST on sales. The unutilized GST credit is carried forward in the books. The GST credits so taken are utilized for payment of tax on goods sold. The unutilized GST credit is carried forward in the books.

3. Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There are following amendments based on the exposure draft available as on date.

Amendments to existing Standards

1. Ind AS 103 – Business Combination
2. Ind AS 1, Presentation of Financial Statements and Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors
3. Ind AS 40 – Investment Property

4. Equity shares movement during the year ended March 31, 2020

The Company has issued 43,33,819 right shares of face value ₹ 2 per share during the current financial year.

TOTAL**1,14,58,535****3,58,40,039****Note:****Dues to Micro and Small Enterprise**

The Company has certain dues to suppliers under Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act). The disclosures pursuant to the said MSMED Act are as follows:

	As at March 31, 2020	As at March 31, 2019
a) The principal amount remaining unpaid to any supplier at the end of the year	5,00,53,301	7,11,40,118
b) Interest due remaining unpaid to any supplier at the end of the year	-	-
c) The amount of interest paid by the buyer in terms of section 16 of the MSMED Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during the year	-	-
d) The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under MSMED Act, 2006	-	-
e) The amount of Interest accrued and remaining unpaid at the end of each accounting year	-	-
f) The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprises, for the purpose of disallowance of a deductible expenditure under section 23 of the MSMED Act, 2006	-	-

Disclosure of payable to vendors as defined under the "Micro, Small and Medium Enterprise Development Act, 2006" is based on the information available with the Company regarding the status of registration of such vendors under the said Act, as per the intimation received from them on requests made by the Company. There are no overdue principle amounts/interest payable amounts for delayed payments to such vendors at the Balance Sheet date. The payment is made to vendors according to terms and conditions mutually agreed to both parties and accordingly there is no delay in payment to these vendors and no interest liability therefore.

28. Segment reporting

The company is engaged in the business of providing Information Technology Software services and GIS products. The company is therefore having one business segment, only.

29. Contingent Liabilities

(i) Particulars	As at March 31, 2020
Claims against the Company not acknowledged as debts	
a. Income Tax Matters	1,04,86,430

- a. **Income Tax Matters** – There is only one particular disputed demand in relation to A.Y. 2016-17 as disclosed above. The recovery of demand has been stayed and appeal is pending at CIT level. The said assessment was completed in haste and inconclusively by the A.O. u/s 143(3) without considering the submission placed. The CIT has already heard the matter and the demand is surely going to be deleted as invalid. So the management and tax advocates expect this matter to be resolved soon and will not have a material adverse effect on the company's financial position and results of operations.

Originally, the tax demand was raised for ₹ 2,08,74,300, but ₹ 1,03,87,870 is adjusted from previous years refund and company has also paid an amount of ₹ 7,50,000 against pending demand.

- b. A petition has been filed by the Shareholder against the Company in NCLT to restore their name in the Registers of Members, ideally matters relate to share transfer, Transmission, maintaining registers, etc. are dealt by RTA & depository participants. Any grievances in this matter are to be directly addressed to the RTA, though the Company has been made party to the case. Our advocate for NCLT has confidently advised that when the matter will be heard by NCLT, Company would be removed from the list of defendant.

30. Details of dues to Micro and Small Enterprises as defined under the Micro, Small and Medium Enterprises Development Act, 2006.

Dues to Micro and Small Enterprises as defined under the Micro, Small and Medium Enterprises Development Act, 2006 as on March 31, 2020 is ₹ 5,00,53,301 .

31. Directors Remuneration:

The Profit and Loss Account includes payments and provisions of remuneration to the Managing Director and Whole Time Directors as under:

Particulars	FY 2019-2020	FY 2018-2019
Salary & Allowance	45,00,000	42,00,000
Perquisites	Nil	5,400
<u>Total Rs.</u>	45,00,000	42,05,400

32. Costs of Materials consumed

I Particulars of Materials consumed:

Particulars	FY 2019-2020 (₹)	FY 2018-2019 (₹)
Opening Stock		-
Purchases	23,57,97,966	21,39,01,089
Less: Closing stock	-	-
Total	23,57,97,966	21,39,01,089

II. Break up of Raw Material consumed:

Particular	2019-2020		2018-2019	
	%	Rupees	%	Rupees
Imported	NIL	NIL	NIL	NIL
Indigenous	100	23,57,97,966	100	21,39,01,089
Total	100	23,57,97,966	100	21,39,01,089

33. In the opinion of Management, any of the assets other than items of property, plant and equipment, intangible assets and Non-Current Investments have a value on realization in the ordinary course of business at least equal to the amount at which they are stated, unless otherwise stated.
34. On periodical basis and as and when required, the Company reviews the carrying amounts of its assets and found that there is no indication that those assets have suffered any impairment loss. Hence, no such impairment loss have been provided in the Financial Year 2019-20 (Previous Year Rs. Nil)

35. Defined Benefit Plans

35.1 Risk exposure to defined benefit plans

The plans typically expose the Company to actuarial risks such as: investment risk, longevity risk and salary risk

Investment risk: the present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on Indian government securities; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk: a decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investment.

Longevity risk: the present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: the present value of the defined benefit plan liability is calculated reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the defined benefit obligation were carried out at March 31, 2020. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

35.2 Summary of Demographic Assumption

Particulars	Valuation Date	
	March 31, 2020	March 31, 2019
Mortality Rate (as % of IALM(2006-08) (Mod.) Ult. Mortality	100%	100%
Disability Rate (as % of above mortality rate)	0.00%	0.00%
Attrition Rate	For service 4 years and below – 10.00 % p.a For service 5 years and above – 2.00 % p.a	2.0% to10.0%
Normal retirement age	58 Years	58 years
Leave Encashment Rate during employment	0.00%	1.00%
Leave Availment Rate	1.00%	1.00%

35.2 Expenses recognized for defined benefit plan and movement of plan assets and liabilities (Gratuity)

Following is the amount recognized in Statement of Profit and Loss, Other Comprehensive Income, movement in defined benefit liability (I.e. gratuity) and movement in plan assets

- opening defined benefit obligation	21,49,673	16,16,003
- current service cost	6,69,887	5,24,357
- interest expenses	1,65,955	1,20,450
- Remeasurement (gains)/loss:		
- Actuarial gains and losses arising from changes in financial demographic assumptions	(3,71,102)	-
- Actuarial gains and losses arising from changes in financial assumptions	2,58,834	(54,562)
- Actuarial gains and losses arising from changes in experience assumptions	(2,54,176)	(36,575)
- Liabilities assumed for employee transferred from other entity benefits paid	(40,621)	(20,000)
Closing defined benefit obligation (c)	25,78,450	21,49,673
D Movements in the fair value of the plan assets		
- Opening fair value of plan assets	-	-
- Interest income	-	-
- Remeasurement (gains)/loss:	-	-
- Return on plan assets (excluding interest income)	-	-
- Contribution by employer	-	20,000
- Asset transferred in for employee transferred from other entity benefits paid	-	(20,000)
Closing fair value of plan assets (d)	-	-

36. Financial Instruments and Risk Management

Risk Management Framework

The Company's risk management is governed by policies and approved by the board of directors. Company's identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The company has policies for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

36.1 Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The Company maintains its cash and cash equivalents and bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis. The maximum exposure to credit risk at the reporting date is primarily from trade receivables. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. On account of the adoption of Ind AS 109, the company uses ECL model to assess the impairment loss or gain. The company uses a provision matrix to compute the ECL allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors and the company's experience for customers.

The Company reviews trade receivables on periodic basis and charges to profit and loss account when management feels the amount will not be receivable in future. The Company also calculates the expected credit loss (ECL) for non-collection of receivables.

36.2 Liquid Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and liabilities including debt financing plans and maintenance of balance sheet liquidity ratios are considered while reviewing the liquidity position.

Exposure to Liquid Risk:

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

March 31, 2020	Carrying Amount	Contractual Cash Flow				
		<1year	1-2 Year	3-5 Year	More than 5 Years	Total
Financial Liabilities						
Non Current Borrowings	6,75,34,404	-	3,80,42,846	2,94,91,558	-	6,75,34,404
Current Borrowings	10,97,99,673	10,97,99,673	-	-	-	10,97,99,673
Trade Payables	1,14,58,535	1,14,58,535	-	-	-	1,14,58,535
Current Financial Liabilities	14,40,16,019	14,40,16,019	-	-	-	14,40,16,019
Total	33,28,08,631	26,52,74,227	3,80,42,846	2,94,91,558	-	33,28,08,631

March 31, 2019	Carrying Amount	Contractual Cash Flow				
		<1year	1-2 Year	3-5 Year	More than 5 Years	Total
Financial Liabilities						
Non Current Borrowings	4,39,00,145	-	1,52,73,987	2,86,26,158	-	4,39,00,145
Current Borrowings	12,99,53,206	12,99,53,206	-	-	-	12,99,53,206
Trade Payables	3,58,40,039	3,58,40,039	-	-	-	3,58,40,039
Current Financial Liabilities	4,42,60,349	4,42,60,349	-	-	-	4,42,60,349
Total	25,39,53,739	21,00,53,594	1,52,73,987	2,86,26,158	-	25,39,53,739

36.3 Market Risk

Market risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market factors. Market risk comprises three types of risks:

a) Currency Risk

The functional currency of the Company is Indian Rupee. The Company is exposed to currency risk on account of receivables in foreign currency. Company is exposed to currency risk on account of receivables in foreign currency.

l) Particulars of unhedged foreign currency exposures at the reporting date

Particulars	Currency	As at March 31, 2020	As at March 31, 2019
Trade Receivables	USD	1,55,469	9,79,095
	INR	98,50,031*	6,77,25,274

* The trade receivable mentioned above is non-current in nature so exchange rate prevailing at 31/03/2020 is not considered as foreign exchange gain/ loss is not recognized on non-current receivables.

II) Foreign Currency Risk Sensitivity

A change of 3% in foreign currency would have following Impact on profit before tax.

Particulars	2019-20		2018-19	
	3% Increase	3% Increase	3% Increase	3% Decrease
INR	2,95,501	(2,95,501)	20,31,758	(20,31,758)
Total	2,95,501	(2,95,501)	20,31,758	(20,31,758)

b) Price Risk

As of 31st March 2020, the company has nil exposure on security price risks.

36.4 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants

Measured at Amortized Cost	As at March 31, 2020	As at March 31, 2019
Financial Assets		
Trade Receivables	11,94,09,615	14,48,62,441
Cash and Cash Equivalents	14,58,190	4,63,695
Loans		
Non Current	44,00,000	44,00,000
Current	94,80,611	2,92,10,824
Other Financial Assets		
Non Current	3,73,15,082	Nil
Current	11,07,78,402	8,24,20,908
Total Financial Assets	28,28,41,900	26,13,57,868
Financial Liabilities		
Non Current	6,75,34,404	4,39,00,145
Current	-	7,06,25,329
Trade Payables	1,14,58,535	3,58,40,039
Other Financial Liabilities		
Current	14,40,16,019	4,42,60,349
Borrowings	10,97,99,673	5,93,27,877
Total Financial Liabilities	33,28,08,631	25,39,53,739

The carrying amount of cash and cash equivalents, trade receivables, trade payables considered to be the same as their values due to their short term nature.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SCANPOINT GEOMATICS LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Scanpoint Geomatics Ltd.** ("the company") and its subsidiaries, (the company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31 2020, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Change in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

1. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our auditor addressed the key audit matter
<p><u>1. Recoverability of Loans to Subsidiary Company</u></p> <p>The Company has advanced a sum of ₹ 78.45 Lakhs as on March 31, 2020. The company had given the advance to its subsidiary during the previous financial year as well as during the current financial year.</p> <p>The aggregate of advance as on March 31, 2019 was ₹ 52.80 Lakhs which has increased to ₹ 78.45 Lakhs as on March 31, 2020.</p> <p>This payment is in nature for technology transfer to Holding Company. When the technology is ready for transfer, the said will be asset of Holding Company.</p>	<p>We reviewed management's rational and objective for providing advance to subsidiary. We reviewed management's assessment of recoverability advances to subsidiary and corroborated the same with the financials of subsidiary. We reviewed the Company's internal control system for advancing the money to suppliers and subsidiary and carried out a combination of procedures involving enquiry and observation and inspection of evidence in respect of these loans and advances. Our audit approach consisted testing of design and operating effectiveness of internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> • Review of complete details of advance given to subsidiary and corroborating the same with of ledger Accounts and confirmation of subsidiary. • Review of onward payment by subsidiary to various parties and with the supporting documents / Purchase Orders / Invoices etc. • Reviewed the procedures followed by Scanpoint and subsidiary for selection of vendors and justification of terms of payments, delivery, warranties/Guarantees etc. • Assessed present status of Advance, receipt / availability of material/services. • Obtained explanation from the management and went through the report obtained by the company from external independent expert on fund utilization. Based on our procedures, we found management's judgment around the recovery of the Advance to be appropriate.

Information other than the Financial Statements and Auditor's Report thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, Management discussion and Analysis and Report on corporate governance but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including Other Comprehensive Income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy

and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2020 taken on record by the Board of Directors of the Company, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "Annexure A" which is based on the auditor's reports of the Company and its subsidiary company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/ provided by the Company to its directors during the year is in accordance with

the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- I. The Consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, required to be transferred, to the Investor Education and Protection fund by the company and its subsidiary company incorporated in India.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of Scanpoint Geomatics Limited (hereinafter referred to as “the Company”) and its subsidiary company, which is a company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary company, which is incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal Control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary company, which is a company incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary company which is a company incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the

company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

1. In our opinion, to the best of our information and according to the explanations given to us, the Company and its subsidiary Company which is a company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the criteria for Internal financial Control over financial reporting established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of Consolidated Financial Statements

1. CORPORATE INFORMATION

The Consolidated financial statements of Scanpoint Geomatics Limited is made up of the Scanpoint Geomatics Limited together with its subsidiaries Jyacad Solutions Pvt Ltd. (collectively referred to as the "Group").

The Company is engaged in the business of GIS based software development and sales. The Scanpoint Geomatics Limited is a public company incorporated under the provisions of the Companies Act, 1956. Its shares are listed on Bombay Stock Exchange.

The principal accounting policies applied in the preparation of the consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION & PRESENTATION OF FINANCIAL STATEMENTS

(a) Statement of Compliance

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

(b) Basis of measurement

The consolidated financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain financial instruments which are measured at fair value at end of the each reporting period, as explained in the accounting policies below.

(c) Use of judgement, estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions considered in the reported amounts of assets and liabilities and disclosure relating to contingent liabilities as at the date of consolidated financial statement and the reported amounts of income and expenditure during the reported year. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the consolidated financial statements is included in the following notes:

i) Income taxes

The Group's major tax jurisdictions is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. In assessing the reliability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the company will

realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

ii) Impairment testing

Investments in goodwill and intangible assets are tested for impairment annually and when events occur or changes in circumstances indicate that the recoverable amount of the asset or cash generating units to which these pertain is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to dispose. The calculation of value in use of a cash generating unit involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

iii) Depreciation and amortisation

Depreciation and amortisation is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

iv) Other estimates

The preparation of Consolidated financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of consolidated financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

The stock compensation expense is determined based on the Company's estimate of equity instruments that will eventually vest.

Fair valuation of derivative hedging instruments designated as cash flow hedges involves significant estimates relating to the occurrence of forecast transaction.

v) Estimation of uncertainties relating to the global health pandemic COVID-19:

The management has considered the possible effects, if any, that may result from the pandemic relating to Covid 19 on the carrying amounts of receivables. In making the assumptions and estimates relating to the uncertainties as at the Balance sheet date in relation to recoverable amounts of these assets, the management has considered the global economic conditions prevailing at the date of approval of these financial statements and has used internal and external sources of Information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in the future due to the impact of the pandemic.

2.2 Basis of Consolidation

Name of the Company	Country of Incorporation	Proportion of Ownership as on March 31, 2020	Proportion of Ownership as on March 31, 2019
Jyacad Solutions Pvt. Ltd.	India	99.9%	99.9%

Principles of Consolidation and equity accounting

• Subsidiary companies

Subsidiary companies are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary companies are fully consolidated from the date on which control is obtained by the Group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the Consolidated Financial Statements of the parent and its subsidiary companies line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains on transactions between Group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting Policies of subsidiary companies have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests in the results and equity of subsidiary companies are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of changes in equity and Consolidated Balance Sheet respectively.

• Equity Method

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize share of the Group in post-acquisition profit and loss of the investee in profit and loss, and share of the Group in Other Comprehensive Income of the investee in Other Comprehensive Income. Dividends received or receivable from subsidiary Company are recognized as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealized gains on transactions between the Group and its subsidiary Company are eliminated to the extent of the Group interest in these entities. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting Policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in (ix) below.

• Change in ownership interest

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interest in the subsidiary companies. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

When the Group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to

its fair value with the change in carrying amount recognised in the Consolidated Statement of Profit and Loss. This fair value becomes the initial carrying amount for the purpose of subsequent accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amount previously recognised in Other Comprehensive Income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in Other Comprehensive Income are reclassified to the Consolidated Statement of Profit and Loss.

If the ownership interest in a joint venture Company or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in Other Comprehensive Income are reclassified to the Consolidated Statement of Profit and Loss where appropriate.

2.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Functional and presentation currency

Items included in the Consolidated financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the “functional currency”). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company. The functional currency of its subsidiary is also Indian Rupee.

(b) Property, plant and equipment

Property, plant and equipment are measured at historical cost or its deemed cost less accumulated depreciation and impairment losses, if any. Historical Cost includes expenditures directly attributable to the acquisition of the asset.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

(c) Capital work-in-progress

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use before such date are disclosed under capital advances and capital work-in-progress respectively.

(d) Depreciation/ Amortisation

Depreciable amount for assets is the cost of asset less its estimated residual value.

Depreciation has been provided on all assets on the straight line method, as per the useful life prescribed in Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. The Company assesses at each Balance Sheet date whether there is objective evidence that a

asset or a group of assets is impaired. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

The residual values are not more than 5% of the original cost of assets.

(e) Leases

From April 1, 2019, Ind AS 116 'Leases' is applicable to all the listed companies. Ind AS 116 has certain exemptions from the application of Ind AS – 116:

(i) Short Term Leases

A lease that, at the commencement date, has a lease term of 12 months or less. However, a lease that contains an option to purchase the asset is not a short-term lease.

- The election for short-term leases shall be made by class of underlying asset to which the right of use relates and can be made on a lease-by-lease basis.

(ii) Leases for low value assets

An underlying asset can be of low value only if:

- the lessee can benefit from use of the underlying asset on its own or together with other resources that are readily available to the lessee; and
- the underlying asset is not highly dependent on, or highly interrelated with, other assets.

- Examples of low-value underlying assets can include tablet and personal computers, small items of office furniture and telephones.
- When new, if the asset is typically not of low value, the lease of such asset does not qualify as a lease of a low-value asset.
- If a lessee subleases an asset, or expects to sublease an asset, the head lease does not qualify as a lease of a low-value asset.
- The assessment of whether an underlying asset is of low value is performed on an absolute basis. Leases of low-value assets qualify for recognition exemption regardless of whether those leases are material to the lessee. The assessment is not affected by the size, nature or circumstances of the lessee.

Accounting for short term and low value asset leases

If a lessee elects to opt for the recognition exemption for either short-term leases or leases for which the underlying asset is of low value, the lessee shall recognise the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis.

According to information and explanation provided to us, all the lease agreements of company are short term lease agreements so application of new Ind AS – 116 'Leases' is not applicable to us.

(g) Financial Instruments

All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trade) are recognised on trade date. While, loans and borrowings and payables are recognised net of directly attributable

transaction costs.

For the purpose of subsequent measurement, financial instruments of the Group are classified in the following categories: non-derivative financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI or fair value through profit and loss account (FVTPL), non derivative financial liabilities at amortised cost or FVTPL and derivative financial instruments (under the category of financial assets or financial liabilities) at FVTPL.

The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

Non-derivative financial assets

i. Financial assets at amortised cost

A financial asset shall be measured at amortised cost if both of the following conditions are met:

- (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest rate method, less any impairment loss.

Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

ii. Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI)

For assets, if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and where the company has exercised the option to classify the equity investment as at FVTOCI, all fair value changes on the investment are recognised in OCI. The accumulated gains or losses on such investments are not recycled to the Statement of Profit and Loss even on sale of such investment.

iii. Financial assets at Fair Value through Profit and loss (FVTPL)

Financial assets which is not classified in any of the above category is measured at FVTPL. These include surplus funds invested in mutual funds etc.

Financial assets included within the FVTPL category are measured at fair values with all changes recorded in the statement of profit and loss.

Non-derivative financial liabilities

Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method. For trade and other payable maturing within one year from the Balance Sheet date, the carrying value approximates fair value due to short maturity.

Financial liabilities at Fair Value through Profit and loss (FVTPL)

Financial liabilities at FVTPL represented by contingent consideration are measured at fair value with all changes recognized in the statement of profit and loss.

Derivative financial instruments and hedging activities

A derivative is a financial instrument which changes value in response to changes in an underlying asset and is settled at a future date. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged.

The Group enters into derivative contracts to hedge the risks asserted with currency fluctuations relating to firm commitments and highly probable transactions. The Company does not use derivative instruments for speculative purposes.

The Group documents, at the inception of the transaction, the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategy for undertaking various hedging transactions. The Group also documents its assessment, both at hedge inception and on an on-going basis, of whether the derivatives that are used in hedging transactions are effective in offsetting changes in cash flows of hedged items.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in Other Comprehensive Income. The ineffective portion of changes in the fair value of the derivative is recognised in the Consolidated Statement of Profit and Loss.

Amounts accumulated in hedging reserve are reclassified to the Consolidated Statement of Profit and Loss in the periods when the hedged item affects the Consolidated Statement of Profit and Loss.

The full fair value of a hedging derivative is classified as a current/ non-current, asset or liability based on the remaining maturity of the hedged item.

When a hedging instrument expires, swapped or unwound, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss existing in Consolidated Statement of Changes in Equity is recognised in the Consolidated Statement of Profit and Loss.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Consolidated Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

Fair value measurement

The Group classifies the fair value of its financial instruments in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the Balance Sheet date.
- ii) Level 2 - The fair value of financial instruments that are not traded in an active market is

determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.

- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs). When the fair value of unquoted instruments cannot be measured with sufficient reliability, the Company carries such instruments at cost less impairment, if applicable.

(h) Employee Benefits

i. Short term employee benefits:

Short Term benefits are recognized as an expense at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered.

ii. Post employment benefits:

a) Defined contribution plan:

The Employee and Company make monthly fixed Contribution to Government of India Employee's Provident Fund equal to a specified percentage of the Cover employee's salary, Provision for the same is made in the year in which service are render by employee.

b) Defined benefit plans:

The Liability for Gratuity to employees, which is a defined benefit plan, as at Balance Sheet date determined on the basis of actuarial Valuation based on Projected Unit Credit method and the contribution thereof paid/payable is absorbed in the accounts.

The present value of the defined benefit obligations is determined by discounting the estimated future cash flows at a predetermined rate of interest, taking into account the probability of payment. This cost is included in employee benefit expenses in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in balance sheet. Changes in present value of the defined benefit obligation resulting from plan amendment or curtailments are recognized immediately in profit or loss as past service cost.

iii. Other long term employee benefits:

Other long term employee benefits comprises of leave encashment towards un-availed leave and compensated absences, these are recognized based on the present value of defined obligation which is computed using the project unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Remeasurement of leave encashment towards un-availed leave and compensated absences are recognized in the statement of profit and loss except those included in cost of assets as permitted in the period which they occur.

(I) Provisions

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Group from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. Provisions for onerous contracts are measured at the present value of lower of the expected net cost of fulfilling the contract and the expected cost of terminating the contract.

(j) Income Taxes

Income tax comprises current and deferred tax. Income tax expense is recognized in the Consolidated Statement of Profit and Loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

- a) Current income tax** - Current income tax liability/ (asset) for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the year. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the year. The Group off sets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.
- b) Deferred tax** - Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax asset is recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

INCOME TAX

A) Major Components of Deferred Tax Liabilities /(Assets) arriving on account of timing difference are as follow:

As at March 31, 2020

Particulars	As at March 31, 2019	Availment of MAT Credit	Recognised in profit & loss	Recognised in OCI	As at March 31, 2020
Fixed assets :- Impact of difference between WDV as per Income Tax Act and as per books of accounts	52,82,597	-	3,21,391	-	56,03,988
Fair Value on Unquoted Investment					
MAT Credit Entitlement	-	-	-	-	-
Expense Allowable for Tax on payment	6,92,177	-	2,45,481	-	9,37,658
Carried Forward Capital Loss FY 2018-19	-	-	-	-	-
Total	59,74,774	-	5,66,872	-	65,41,646

As at March 31, 2019

Particulars	As at March 31, 2018	Availment of MAT Credit	Recognised in profit & loss	Recognised in OCI	As at March 31, 2019
Fixed assets :- Impact of difference between WDV as per Income Tax Act and as per books of accounts	71,00,991	-	(18,18,394)	-	52,82,597
Fair Value on Unquoted Investment					
MAT Credit Entitlement	-	-	-	-	-
Expense Allowable for Tax on payment	4,82,731	-	2,09,446	-	6,92,177
Carried Forward Capital Losses	-	-	-	-	-
Total	75,83,722	-	(16,08,948)	-	59,74,774

Particulars	As at March 31, 2020	As at March 31, 2019
-------------	----------------------	----------------------

B) Income Taxes

Major component of Tax expenses for the year are as under :

(i) Income tax recognised in the Statement of Profit and Loss

Current Tax	70,47,628	48,46,607
Income Tax for Prior years	-	-
Deferred Tax	5,66,872	9,40,432
	76,14,500	57,87,039

(ii) Income tax recognised in OCI

Income tax expenses on remeasurement of defined employee benefits plans	1,01,945	28,399
Income Tax expenses on Remeasurement of financial instruments	2,86,936	(9,51,080)
	3,88,881	(9,22,681)
	80,03,381	48,64,358

C) Reconciliation of Tax expenses and the accounting profit for the year is as under :

Profit before tax	2,50,43,949	2,23,88,839
Income Tax exp	70,47,628	48,46,607
Tax effect on non deductible exp	-	1,24,057
effect of income which is tax at Special Rate	-	-
effect of income exempted from tax	-	-
Tax effect for deduction u/s 80IC	-	-
Tax effect for deduction u/s 80G	-	-
Tax effect for deduction u/s 80JJAA	-	-
Tax effect for exemption u/s 10AA	-	-

(k) Cash flow Statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expense associated with investing or financing cash-flows. The cash flow from operating, investing and financing activities of the Group are segregated.

(l) Revenue Recognition

The Group derives revenue primarily from software development and from the licensing of software products. The Group recognizes revenue when it transfers control over a product or a service to a customer. The method for recognizing revenues and costs depends on the nature of the services rendered.

The timing of revenue recognition, billings and cash collections results in receivables, unbilled revenue, and unearned revenue on the Group's Balance Sheet. Amounts are billed as work progresses in accordance with agreed-upon contractual terms, either at periodic intervals (e.g., monthly or quarterly) or upon achievement of contractual milestones.

The Group's receivables are rights to consideration that are unconditional. Unbilled revenues comprising revenues in excess of billings from time and material contracts and fixed-price maintenance contracts are classified as financial asset when the right to consideration is unconditional and is due only after a passage of time.

Invoicing to the clients for other fixed-price contracts is based on milestones as defined in the contract and therefore the timing of revenue recognition is different from the timing of invoicing to the customers. Therefore unbilled revenues for other fixed-price contracts (contract asset) are classified as "non-financial asset" because the right to consideration is dependent on completion of contractual milestones. Invoicing in excess of earnings is classified as "unearned revenue".

Trade receivables and unbilled revenues are presented net of impairment in the Balance Sheet. During the years ended March 31, 2020 and March 31, 2019, 4.15 crore and 4.32 crore of unbilled revenue pertaining to other fixed price and fixed time frame contracts as of April 1, 2019 and April 1, 2018, respectively has been reclassified to "trade receivables" upon billing to customers on completion of milestones.

Remaining performance obligation disclosure:

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognized as at the end of the reporting period and an explanation as to when the Company expects to recognize these amounts in revenue. Applying the practical expedient as given in Ind AS 115, the Company has not disclosed the remaining performance obligation-related disclosures for contracts where the revenue recognized corresponds directly with the value to the customer of the entity's performance completed to date, typically those contracts where invoicing is on time and material and unit of work-based contracts. Remaining performance obligation estimates are subject to change and are affected by several factors, including terminations, changes in the scope of contracts, periodic revaluations, adjustment for revenue that has not materialized and adjustments for currency.

a) Time and materials contracts

Revenues from contracts priced on a time and material basis are recognised as the related services are performed and related costs are incurred.

b) Fixed-price contracts

Revenues from fixed-price contracts are recognized using the "percentage-of-completion" method. Percentage of completion is determined based on project costs incurred to date as a percentage of total estimated project costs required to complete the project. The cost expended (or input) method has been used to measure progress towards completion as there is a direct

relationship between input and productivity.

If the Group does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the Consolidated statement of profit and loss in the period in which such losses become probable based on the current contract estimates.

c) Maintenance Contracts

Revenue from maintenance contracts is recognized ratably over the period of the contract using the "percentage-of-completion" method. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognized on a straight line basis over the specified period or under some other method that better represents the stage of completion.

'Unbilled revenues' represent cost and earnings in excess of billings as at the end of the reporting period.

'Unearned revenues' represent billing in excess of revenue recognized. Advance payments received from customers for which no services are rendered are presented as 'Advance from customers'.

Revenues are reported net of GST and applicable discounts and allowances.

Total	47,27,888	1,56,61,327

(m) Dividend and dividend distribution tax

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors. The Company declares and pays dividends in Indian rupees and are subject to applicable distribution taxes. The applicable distribution taxes are treated as an appropriation of profits.

(n) Foreign Currency transactions and translations

Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the consolidated Statement of Profit and Loss and reported within foreign exchange gains/ (losses).

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

Foreign currency gains and losses are reported on a net basis. This includes changes in the fair value of foreign exchange derivative instruments, which are accounted at fair value through profit or loss.

(o) Finance Income and expense

Finance income consists of interest income on funds invested, dividend income and fair value gains on the FVTPL financial assets. Interest income is recognized as it accrues in the statement of profit and loss, using the effective interest method.

Dividend income is recognized in the Consolidated statement of profit and loss on the date that the Group's right to receive payment is established.

Finance expenses consist of interest expense on loans and borrowings. Borrowing costs are recognized in the Consolidated Statement of Profit and Loss using the effective interest method.

(p) Impairment

a) Financial assets

In accordance with Ind AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss.

The Group assesses at each Balance Sheet date whether a financial asset or a group of financial assets is impaired. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivable and unbilled revenue. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Group recognizes lifetime expected credit losses for all trade receivables and/or other contract assets that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ECL allowance (or reversal) is recognised as income / expense in the Consolidated Statement of Profit and Loss.

b) Non-financial assets

The Group assesses at each reporting date whether there is any objective evidence that a non financial asset or a group of non financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in Statement of Profit and Loss and reflected in an allowance account. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through Statement of Profit and Loss.

The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net off any accumulated depreciation/amortisation) had no impairment loss been recognised for the asset in prior years.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

(q) Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

(r) Contingent Liabilities

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Group, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

(s) Contingent Assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain

future events not wholly within the control of the entity. The Group does not recognize a contingent asset.

(t) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

(u) Intangible Assets

Intangible assets are measured on initial recognition at cost (net of recoverable taxes, if any). Subsequently, intangible assets are carried out at cost less any accumulated amortization and accumulated impairment losses, if any.

The gain or loss arising on the disposal or retirement of an intangible asset is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized as income or expenses in the Statement of Profit and Loss in the year or disposal.

(v) Borrowing Costs

Borrowing costs include interest and amortization of ancillary costs incurred to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

During the year company has not capitalized any borrowing cost.

(w) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupees as per the requirement of Schedule III, unless otherwise stated.

(x) Goods & Service Tax:

GST credit on materials purchased for production / service availed for production / input service are taken into account at the time of purchase and GST credit on purchase of capital items wherever applicable are taken into account as and when the assets are acquired.

The GST credits so taken are utilized for payment of excise duty/GST on sales. The unutilized GST credit is carried forward in the books. The GST credits so taken are utilized for payment of tax on goods sold. The unutilized GST credit is carried forward in the books.

3. Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

4. Equity shares movement during the year ended March 31, 2020

The Company has issued 43,33,819 right shares of face value Rs. 2 per share during the current financial year.

TOTAL**1,14,23,612****3,58,43,865****Note:****Dues to Micro and Small Enterprise**

The Company has certain dues to suppliers under Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act). The disclosures pursuant to the said MSMED Act are as follows:

	As at March 31, 2020	As at March 31, 2019
a) The principal amount remaining unpaid to any supplier at the end of the year	5,00,68,301	7,11,40,118
b) Interest due remaining unpaid to any supplier at the end of the year	-	-
c) The amount of interest paid by the buyer in terms of section 16 of the MSMED Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during the year	-	-
d) The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under MSMED Act, 2006	-	-
e) The amount of Interest accrued and remaining unpaid at the end of each accounting year	-	-
f) The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprises, for the purpose of disallowance of a deductible expenditure under section 23 of the MSMED Act, 2006	-	-

Disclosure of payable to vendors as defined under the "Micro, Small and Medium Enterprise Development Act, 2006" is based on the information available with the Company regarding the status of registration of such vendors under the said Act, as per the intimation received from them on requests made by the Company. There are no overdue principle amounts/interest payable amounts for delayed payments to such vendors at the Balance Sheet date. The payment is made to vendors according to terms and conditions mutually agreed to both parties and accordingly there is no delay in payment to these vendors and no interest liability therefore.

28. Segment reporting

The company is engaged in the business of providing Information Technology Software services and GIS products. The company is therefore having one business segment, only.

29. Contingent Liabilities

(i) Particulars	As at March 31, 2020
Claims against the Company not acknowledged as debts	
a. Income Tax Matters	1,04,86,430

- a. **Income Tax Matters** – There is only one particular disputed demand in relation to A.Y. 2016-17 as disclosed above. The recovery of demand has been stayed and appeal is pending at CIT level. The said assessment was completed in haste and inconclusively by the A.O. u/s 143(3) without considering the submission placed. The CIT has already heard the matter and the demand is surely going to be deleted as invalid. So the management and tax advocates expect this matter to be resolved soon and will not have a material adverse effect on the company's financial position and results of operations.

Originally, the tax demand was raised for ₹ 2,08,74,300, but ₹ 1,03,87,870 is adjusted from previous years refund and company has also paid an amount of ₹ 7,50,000 against pending demand.

- b. A petition has been filed by the Shareholder against the Company in NCLT to restore their name in the Registers of Members, ideally matters relate to share transfer, Transmission, maintaining registers, etc. are dealt by RTA & depository participants. Any grievances in this matter are to be directly addressed to the RTA, though the Company has been made party to the case. Our advocate for NCLT has confidently advised that when the matter will be heard by NCLT, Company would be removed from the list of defendant.

30. Details of dues to Micro and Small Enterprises as defined under the Micro, Small and Medium Enterprises Development Act, 2006.

Dues to Micro and Small Enterprises as defined under the Micro, Small and Medium Enterprises Development Act, 2006 as on March 31, 2020 is ₹ 5,00,68,301 .

31. Directors Remuneration:

The Profit and Loss Account includes payments and provisions of remuneration to the Managing Director and Whole Time Directors as under:

Particulars	FY 2019-2020	FY 2018-2019
Salary & Allowance	45,00,000	42,00,000
Perquisites	Nil	5,400
<u>Total Rs.</u>	45,00,000	42,05,400

32. Costs of Materials consumed

I Particulars of Materials consumed:

Particulars	FY 2019-2020 (₹)	FY 2018-2019 (₹)
Opening Stock		-
Purchases	23,57,97,966	21,39,01,089
Less: Closing stock	-	-
Total	23,57,97,966	21,39,01,089

II. Break up of Raw Material consumed:

Particular	2019-2020		2018-2019	
	%	Rupees	%	Rupees
Imported	NIL	NIL	NIL	NIL
Indigenous	100	23,57,97,966	100	21,39,01,089
Total	100	23,57,97,966	100	21,39,01,089

33. In the opinion of Management, any of the assets other than items of property, plant and equipment, intangible assets and Non-Current Investments have a value on realization in the ordinary course of business at least equal to the amount at which they are stated, unless otherwise stated.
34. On periodical basis and as and when required, the Company reviews the carrying amounts of its assets and found that there is no indication that those assets have suffered any impairment loss. Hence, no such impairment loss have been provided in the Financial Year 2019-20 (Previous Year Rs. Nil)

35. Defined Benefit Plans

35.1 Risk exposure to defined benefit plans

The plans typically expose the Company to actuarial risks such as: investment risk, longevity risk and salary risk

Investment risk: the present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on Indian government securities; if the return on plan asset is below this rate, it will create a plan deficit.

Interest risk: a decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investment.

Longevity risk: the present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: the present value of the defined benefit plan liability is calculated reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The most recent actuarial valuation of the plan assets and the defined benefit obligation were carried out at March 31, 2020. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

35.2 Summary of Demographic Assumption

Particulars	Valuation Date	
	March 31, 2020	March 31, 2019
Mortality Rate (as % of IALM(2006-08) (Mod.) Ult. Mortality	100%	100%
Disability Rate (as % of above mortality rate)	0.00%	0.00%
Attrition Rate	For service 4 years and below – 10.00 % p.a For service 5 years and above – 2.00 % p.a	2.0% to10.0%
Normal retirement age	58 Years	58 years
Leave Encashment Rate during employment	0.00%	1.00%
Leave Availment Rate	1.00%	1.00%

35.2 Expenses recognized for defined benefit plan and movement of plan assets and liabilities (Gratuity)

Following is the amount recognized in Statement of Profit and Loss, Other Comprehensive Income, movement in defined benefit liability (I.e. gratuity) and movement in plan assets

Particulars	(in ₹) For the year ended March 31, 2020	(in ₹) For the year ended March 31, 2019
A. Components of expenses recognised in the statement of profit and Loss Account		
Current service cost	6,69,887	5,24,357
Past service cost and (gain) loss from settlements	-	-

- Actuarial gains and losses arising from demographic adjustments	(3,71,102)	-
Total (b)	(3,66,444)	(91,137)
C. Movements in the present value of the defined benefit obligation		
- opening defined benefit obligation	21,49,673	16,16,003
- current service cost	6,69,887	5,24,357
- interest expenses	1,65,955	1,20,450
- Remeasurement (gains)/loss:		
- Actuarial gains and losses arising from changes in financial demographic assumptions	(3,71,102)	-
- Actuarial gains and losses arising from changes in financial assumptions	2,58,834	(54,562)
- Actuarial gains and losses arising from changes in experience assumptions	(2,54,176)	(36,575)
- Liabilities assumed for employee transferred from other entity benefits paid	(40,621)	(20,000)
Closing defined benefit obligation (c)	25,78,450	21,49,673
D Movements in the fair value of the plan assets		
- Opening fair value of plan assets	-	-
- Interest income	-	-
- Remeasurement (gains)/loss:	-	-
- Return on plan assets (excluding interest income)	-	-
- Contribution by employer	-	20,000
- Asset transferred in for employee transferred from other entity benefits paid	-	(20,000)
Closing fair value of plan assets (d)	-	-

36. Financial Instruments and Risk Management

Risk Management Framework

The Company's risk management is governed by policies and approved by the board of directors. Company's identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The company has policies for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

36.1 Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The Company maintains its cash and cash equivalents and bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis. The maximum exposure to credit risk at the reporting date is primarily from trade receivables. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. On account of the adoption of Ind AS 109, the company uses ECL model to assess the impairment loss or gain. The company uses a provision matrix to compute the ECL allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors and the company's experience for customers.

The Company reviews trade receivables on periodic basis and charges to profit and loss account when management feels the amount will not be receivable in future. The Company also calculates the expected credit loss (ECL) for non-collection of receivables.

36.2 Liquid Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and liabilities including debt financing plans and maintenance of balance sheet liquidity ratios are considered while reviewing the liquidity position.

Exposure to Liquid Risk:

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

March 31, 2020	Carrying Amount	Contractual Cash Flow				
		<1year	1-2 Year	3-5 Year	More than 5 Years	Total
Financial Liabilities						
Non Current Borrowings	6,75,34,404	-	3,80,42,846	2,94,91,558	-	6,75,34,404
Current Borrowings	10,97,99,673	10,97,99,673	-	-	-	10,97,99,673
Trade Payables	1,14,58,535	1,14,58,535	-	-	-	1,14,58,535
Current Financial Liabilities	14,40,16,019	14,40,16,019	-	-	-	14,40,16,019
Total	33,28,08,631	26,52,74,227	3,80,42,846	2,94,91,558	-	33,28,08,631

March 31, 2019	Carrying Amount	Contractual Cash Flow				
		<1year	1-2 Year	3-5 Year	More than 5 Years	Total
Financial Liabilities						
Non Current Borrowings	4,39,00,145	-	1,52,73,987	2,86,26,158	-	4,39,00,145
Current Borrowings	12,99,53,206	12,99,53,206	-	-	-	12,99,53,206
Trade Payables	3,58,40,039	3,58,40,039	-	-	-	3,58,40,039
Current Financial Liabilities	4,42,60,349	4,42,60,349	-	-	-	4,42,60,349
Total	25,39,53,739	21,00,53,594	1,52,73,987	2,86,26,158	-	25,39,53,739

36.3 Market Risk

Market risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market factors. Market risk comprises three types of risks:

a) Currency Risk

The functional currency of the Company is Indian Rupee. The Company is exposed to currency risk on account of receivables in foreign currency. Company is exposed to currency risk on account of receivables in foreign currency.

l) Particulars of unhedged foreign currency exposures at the reporting date

Particulars	Currency	As at March 31, 2020	As at March 31, 2019
Trade Receivables	USD	1,55,469	9,79,095
	INR	98,50,031*	6,77,25,274

* The trade receivable mentioned above is non-current in nature so exchange rate prevailing at 31/03/2020 is not considered as foreign exchange gain/ loss is not recognized on non-current receivables.

II) Foreign Currency Risk Sensitivity

A change of 3% in foreign currency would have following Impact on profit before tax.

Particulars	2019-20		2018-19	
	3% Increase	3% Increase	3% Increase	3% Decrease
INR	2,95,501	(2,95,501)	20,31,758	(20,31,758)
Total	2,95,501	(2,95,501)	20,31,758	(20,31,758)

b) Price Risk

As of 31st March 2020, the company has nil exposure on security price risks.

36.4 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants

Measured at Amortized Cost	As at March 31, 2020	As at March 31, 2019
Financial Assets		
Trade Receivables	11,94,09,615	14,48,62,441
Cash and Cash Equivalents	14,58,190	4,63,695
Loans		
Non Current	44,00,000	44,00,000
Current	94,80,611	2,92,10,824
Other Financial Assets		
Non Current	3,73,15,082	Nil
Current	11,07,78,402	8,24,20,908
Total Financial Assets	28,28,41,900	26,13,57,868
Financial Liabilities		
Non Current	6,75,34,404	4,39,00,145
Current	-	7,06,25,329
Trade Payables	1,14,58,535	3,58,40,039
Other Financial Liabilities		
Current	14,40,16,019	4,42,60,349
Borrowings	10,97,99,673	5,93,27,877
Total Financial Liabilities	33,28,08,631	25,39,53,739

The carrying amount of cash and cash equivalents, trade receivables, trade payables considered to be the same as their values due to their short term nature.

Technology Development Partners

At, Scanpoint Geomatics Limited, we are most proud of our partnership with the Indian Space Research Organization (ISRO). With an innovative approach and a focused attention to details, the duo developed IGiS - India's first independent and integrated platform for geospatial industry. The partnership has resulted in the integration of GIS, Image Processing, Photogrammetry and CAD on the IGiS platform. Backed by ISRO's domain expertise, we aim to push forth innovation and uplift the global geospatial domain.
